

Biotechnology Department
School of Engineering & Technology
Academic Year 2025-26
Report on Students Presentation Session

- **Event Title:** Students Presentation session on the topic “Applications of Biotechnology in agriculture, health and industry”.
- **Event Date:** 23/08/2025
- **Event Conduction Duration:** 11.00 AM TO 1:00 PM
- **Event Venue:** Department of Biotechnology Class room F118
- **Name of Event Coordinator with contact details:**
 - Mr. Jayant P.Parpalliwar - Mob. No. 9545654757
 - Dr. Gautam Anand Mob. No.8756871131
- **Number of Participants:** 20
- **Event Outline, Objective & Outcome of the event:**

Outline: Department of Biotechnology at the School of Engineering and Technology organized presentation session for students of 3rd semester on 23rd August, 2025. The event centered around the theme “Applications of Biotechnology in agriculture, health and industry”. Students delivered insightful presentations highlighting the role of biotechnology in addressing global challenges, ranging from sustainable agriculture and food security to cutting-edge innovations in pharmaceutical and healthcare. The session provided a platform for young students and future researchers of the department to enhance their scientific knowledge, communication skills explore the multidisciplinary impact of biotechnology for the benefit of society.

Objective:

- To enhance communication and presentation skills of the students.

Outcome of session–

- Students were made familiar about topic selection and preparation of impactful presentation.
