5. Event Resource Person Details (Speaker Image, Speaker name, Designation, Company name)

Mr. Aashirwad Pawar
Mo. 9823346123

6. Name of Event Coordinator with contact details:

Dr. Amit Kumar - Mo. 9049381383

7. Number of Participants: Faculty Members from the Department of Civil Engineering and CESA Members.

8. Event Outline, Objective & Outcome of the event:

Outline: The Civil Engineering Students Association (CESA) of the Department of Civil Engineering, School of Engineering & Technology (SOET), Sandip University, Nashik, successfully organized a Kindness Drive at Smt. Garda Balsadan (Balikashram). The initiative focused on extending support and compassion by providing essential groceries and daily necessities to the ashram girls. The event reflected the department’s commitment to social responsibility and community service.

Objective:

- To encourage students to participate in social welfare and community outreach activities.
- To promote the values of kindness, empathy, and social responsibility among students.

- To support underprivileged children by providing essential groceries and daily needs.
- To strengthen the bond between students, faculty, and the local community through acts of giving.

Outcome of Event:

- Successful organization of the Kindness Drive, spreading joy and compassion among the ashram children.
- Active participation of students and faculty, fostering a sense of teamwork and empathy.
- Strengthened the department's social engagement and community service initiatives.
- Enhanced students' understanding of social values and civic responsibility.
- Positive impact on the community, encouraging continued participation in social welfare activities.
