

**Civil Engineering Department  
School of Engineering & Technology  
Academic Year 2024-25  
Report on Expert Talk**

**1. Event Title:** Lecture Series: Integrating Sustainable Development Goals in Civil Engineering Practice “Soil Structured Interaction of Piled Raft Foundation”

**2. Event Date:** 31/08/2024

**3. Event Conduction Duration:** 10.30 AM TO 12.00 PM

**4. Event Venue:** Dean Board Room SOET Sandip University Nashik

**5. Event Resource Person Details (Speaker Image, Speaker name, Designation, company name)**

**Dr. Jaymin D Patil  
Principal Engineer  
TOYO Engineering India**

**6. Name of Event Coordinator with contact details:**

Mr. Amit Kumar - Mo. 9049381383

**7. Number of Participants:** 40students + 12faculty members + 2 Technical assistants = 54

**8. Event Outline, Objective & Outcome of the event:**

**Outline:** An expert talk has been organized on the theme “Lecture Series: Integrating Sustainable Development Goals in Civil Engineering Practice” in Civil Engineering Department, SOET, Sandip university on dated 17.08.2024.

**Objective:** To excel the student’s carrier towards current research opportunities in Soil Structured Interaction of Piled Raft Foundation.

**Outcome of session**– Students are able to understand the analysis, design and installation of Piled Raft Foundation.

Felicitation of speaker Dr. Jaymin D Patil Sir

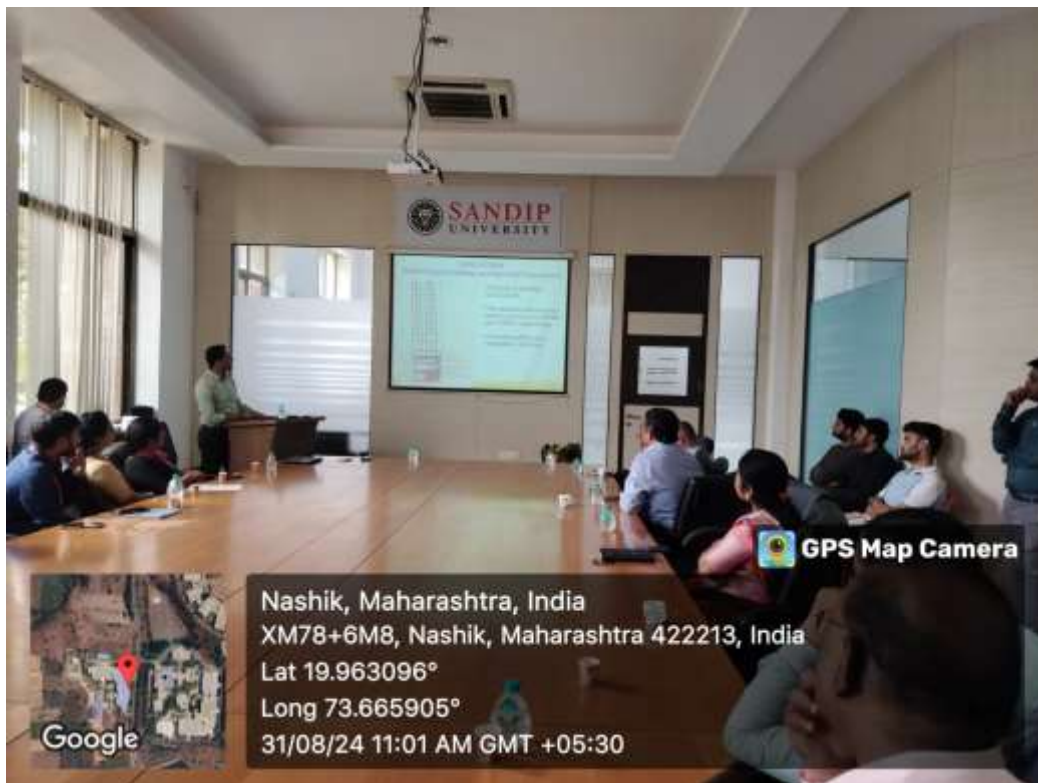

Felicitation of Dr. Vikas Patil Sir, Associate Professor KKW College of Engineering Nashik.
