Report on Field Visit to Sewage Treatment Plant

1. Event Title: Field Visit to Sewage Treatment Plant situated at Tapovan Nashik.

2. Event Date: 11/09/2024

3. Event Conduction Duration: 10.30 AM TO 2.30 PM

4. Event Venue: Sewage Treatment Plant Tapovan, Nashik.

6. Name of Event Coordinator with contact details:

Ms. Pranoti sabale – Mo. 9975110284

Mrs. Radhika Bhadane- Mo. 9284294854

7. Number of Participants: 30 students + 3 faculty members= 33

8. Event Outline, Objective & Outcome of the event:

Outline: Conducted the Field visit to sewage treatment plant situated in tapovan nashik for final year Students of civil engineering department SOET. Field visit to Sewage treatment plant is the part of their academic curriculum.

Objective: To enhance the practical knowledge of students by showing them the different components of the sewage treatment plant.

Outcome of session– Students are able to understand the working of each component of the sewage treatment plant and they understood the function of each component of the sewage treatment plant. Students get the practical knowledge with theoretical explanation.

Ms. Pranoti Sabale explaining students the model of the Sewage Treatment Plant

Felicitation of Mr. Mahesh Chakor In charge of Sewage Treatment Plant Tapovan

Students observing the various components of Sewage Treatment Plant

Ms. Pranoti sabale interacting with students and explaining treatment plant components
