2. Event Date: 17.02.2025

3. Event Conduction Duration: One Day

4. Event Venue: F-109, Civil Engg Dept, SOET, Nashik

5. Event Resource Person Details (Speaker Image, Speaker name, Designation, company name)

Mr. Hitesh Lahoti
Director
Civil Engineering Software's Academy, Pune

6. Name of Event Coordinator with contact details:

Ms.Pranoti Sabale- Mo. 9975110284

7. Number of Participants: 50

8. Event Outline, Objective & Outcome of the event:

Outline: The seminar is organised for the Civil Engineering Students for getting the knowledge about Civil Engg Software's.

Objective: The objective of this seminar is to introduce participants to key software tools used in the field of civil engineering. The seminar aims to provide practical insights into software applications that assist in design, analysis, project management, and simulation in civil engineering projects. Attendees will gain knowledge on the importance of these tools, their functions, and how they contribute to the efficiency and accuracy of engineering tasks.

Outcome of Seminar- Participants will have a comprehensive understanding of the key software tools used in civil engineering, including:

Design Software (AutoCAD, Revit, Civil 3D)

Structural Analysis Software (SAP2000, ETABS, STAAD Pro)

Project Management Tools (Primavera, MS Project)
