Introduction

Teachers' Day is a special occasion to honour and express gratitude to the dedicated educators who play a vital role in shaping the future of students. On September 5, 2024, the Department of Mechanical Engineering and the Department of Electrical Engineering came together to celebrate Teachers' Day with great enthusiasm. The event was a heartwarming tribute to the mentors who inspire, educate, and guide students towards success.

The poster features a yellow background with a subtle striped pattern. At the top left is the Sandip University logo. A large orange banner at the top center reads "Teacher's Day Celebration". Below this, a quote in blue text reads: "Teaching is a very noble profession that shapes the character, caliber, and future of an individual". To the right of the quote is a portrait of Dr. Sarvepalli Radhakrishnan. Below the quote, it says ":-Dr. Sarvepalli Radhakrishnan". At the bottom, an orange box contains the text "Organized by: Department of Mechanical And Electrical Engineering Sandip University, Madhubani". The date and time are listed at the bottom left and right respectively.

Inauguration

The event commenced with a dignified inauguration ceremony. Dr. B. N. Tripathi, Dean Academics SUM, Registrar SUM, HoD of Mechanical and Electrical and All Faculties or Students of Mechanical and Electrical Department were inaugurated the celebration. They emphasized the importance of teachers in nurturing talent and imparting knowledge to the next generation.

Interactive Session with Teachers

A panel discussion and interactive session were organized where students had the opportunity to engage in meaningful conversations with their teachers. This session allowed students to ask questions, seek guidance, and gain valuable insights from their educators. The open dialogue strengthened the teacher-student relationship and fostered a sense of unity within the academic community.

Student Tributes

Students took center stage to express their appreciation and admiration for their teachers.

Heartfelt speeches, poems, and songs were presented to convey the deep respect and gratitude students held for their mentors. These touching tributes left many teachers visibly moved and touched by the heartfelt sentiments expressed

Felicitation of Outstanding Teachers

In recognition of exceptional contributions to education, a few teachers were felicitated during the event. The awards were presented based on criteria such as teaching excellence, dedication, and mentorship. These acknowledgments not only honoured the recipients but also inspired other educators to continue their pursuit of excellence.

Cultural Performances

To add a touch of entertainment and cultural diversity to the celebration, students showcased their talents through various cultural performances. Dance, music, and drama performances enthralled the audience and created a joyful atmosphere.

Conclusion

The Teachers' Day Celebration organized by the Department of Mechanical Engineering and the Department of Electrical Engineering was a heartwarming and memorable event. It provided a platform for students to express their gratitude and admiration for their teachers while promoting a sense of unity and appreciation within the academic community. The organizers extend their sincere thanks to all participants, students, faculty, and staff members who contributed to the success of this event. Teachers play a pivotal role in shaping the future of society, and this celebration was a fitting tribute to their dedication and hard work. As the event concluded, it left everyone with a profound appreciation for the teachers who inspire and guide us on our academic journey. Happy Teachers' Day!
