Report Prepared By : Mr. Yogesh Kahandal ,TA , EEED, SOET

6. **Event Outline & Outcome of the event:**

Introduction:

On 8 March 2025, Department of Electrical and Electronics Engineering, SOET, organized an insightful expert lecture by Monalisa Jain, Educational entrepreneurs Motivational Speaker and It was held at the Seminar Hall of the Y Building, the event was guided by Dr. Prakash Burade (Associate Dean, SOET) and Dr. Mangesh Nikose (HOD, Electrical and Electronics engineering) and coordinated by Ms. Shraddha Zanjat (Assistant Professor, EEED)

Ms. Monalisa Jain highlighted that education is the cornerstone of women empowerment. Educated women are more likely to participate in the workforce, contribute to economic growth, and make informed decisions about their health and well-being. She also stressed the need for legal reforms to protect women's rights, such as equal pay, maternity benefits, and protection against gender-based violence. Alongside the lecture, fun games and performances added a celebratory touch to the day.

The event witnessed enthusiastic participation from 150 female students and faculty members, who actively engaged in interactive discussions. Alongside the lecture, fun games and performances added a celebratory touch to the day.

The event was a resounding success with a perfect blend of education and celebration.

Key Highlights:

Guest Lectures: Eminent speakers, including Dr. Sharvari Vaidya, a renowned academician, and Ms. Monalisa Jain, a successful entrepreneur, shared their journeys, shedding light on overcoming challenges and breaking barriers.

Panel Discussion: A panel discussion on the theme “Inspiring Inclusion in Engineering and Technology” featured insights from faculty members, alumni, and industry leaders, promoting a dialogue on the evolving landscape of opportunities for women.

Cultural Performances: Students showcased their talents through music, dance, and poetry, celebrating womanhood and paying tribute to inspirational figures.

Felicitation Ceremony: The department honored female faculty, staff, and outstanding girl students for their dedication and achievements, presenting certificates of appreciation and tokens of gratitude.

Impact and Feedback:

The celebration received an overwhelmingly positive response, with participants expressing gratitude for the thoughtful organization and motivational content. Attendees appreciated the blend of knowledge sharing, personal stories, and creative expressions, which made the event both educational and emotionally uplifting.

The Electrical & Electronics Department at SOET remains committed to nurturing an environment where diversity thrives, and events like these serve as a testament to the university's dedication to empowering women and shaping an equitable future.
