EVENT REPORT

Teacher's Day Celebration

- Date: 05 September 2026
- Time: As per department schedule
- Venue: Department of Electrical Engineering, SOET, Sandip University, Nashik
- Organizer: Department of Electrical Engineering, SOET, Sandip University, Nashik
- Event Mode: Offline
- Event Coordinator: Dr. Dev Kumar Rai
- Report Prepared by: Dr. Dev Kumar Rai

Objective of Program:

1. To recognize and appreciate the contribution of teachers in students' academic and professional development.
2. To promote respect, gratitude, and positive interaction between teachers and students.
3. To strengthen the teacher-student relationship and create a supportive academic environment.
4. To encourage values of discipline, responsibility, continuous learning, and professional development.

Outcome of Program:

1. Students expressed their appreciation and gratitude towards teachers.
2. The celebration provided an opportunity for meaningful interaction between faculty members and students.
3. The programme promoted a positive and respectful academic atmosphere in the department.
4. Students gained awareness of the important role of teachers in their overall development and career guidance.

Number of Students Attended: 10

Student Feedback of the Guest Lecture on “Sustainable Electrification in Rural and Urban Infrastructure” on 13 August 2022

Question No.	Question	Option A	Please Tick Here	Option B	Please Tick Here	Option C	Please Tick Here
1	How would you rate the overall quality of the guest lecture?	Excellent		Good		Average	
2	Was the topic of the guest lecture relevant to your course?	Highly Relevant		Moderately Relevant		Less Relevant	
3	How well did the speaker explain the concepts?	Very Clearly		Clearly		Not Clearly	
4	Was the content of the lecture well organized?	Very Well Organized		Well Organized		Poorly Organized	
5	How effective was the speaker's communication skill?	Very Effective		Effective		Less Effective	
6	Did the guest lecture enhance your knowledge of the subject?	To a Great Extent		To Some Extent		Not Much	
7	Were real-life examples or applications discussed?	Yes, adequately		Yes, to some extent		No	
8	How interactive was the guest lecture?	Highly Interactive		Moderately Interactive		Not Interactive	
9	Was the duration of the guest lecture appropriate?	Appropriate		Slightly Long		Too Short	
10	Would you like to attend such guest lectures in the future?	Yes, definitely		Maybe		No

Conclusion

The Teacher's Day Celebration organized by the Department of Electrical Engineering, School of Engineering and Technology, Sandip University, Nashik, provided a meaningful platform to recognize and appreciate the dedication, contributions, and guidance of faculty members. The celebration encouraged positive interaction between faculty members and students, strengthened mutual respect and institutional bonding, and promoted a supportive and collaborative academic environment. The programme also emphasized the vital role of teachers in shaping students' academic, professional, ethical, and personal development.

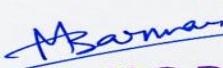

SDG Mapping

The Teacher's Day Celebration contributes to the following United Nations Sustainable Development Goals (SDGs):

- SDG 4 – Quality Education: Recognizes the important role of teachers in providing quality, inclusive, and holistic education.
- SDG 3 – Good Health and Well-Being: Promotes a positive, respectful, and supportive educational environment that contributes to the well-being of faculty and students.
- SDG 5 – Gender Equality: Encourages equal recognition, respect, and participation of all faculty members and students.
- SDG 10 – Reduced Inequalities: Promotes an inclusive academic environment based on mutual respect and equal opportunities.
- SDG 16 – Peace, Justice and Strong Institutions: Strengthens values of respect, cooperation, integrity, and responsible participation within the educational institution.
- SDG 17 – Partnerships for the Goals: Encourages stronger faculty–student relationships and collaborative participation in achieving educational objectives.
