REPORT ON TEACHERS' DAY CELEBRATION

Department of Electronics & Telecommunication Engineering

School of Engineering & Technology

Sandip University, Nashik

1. Introduction

The **Department of Electronics & Telecommunication Engineering, School of Engineering & Technology, Sandip University, Nashik**, organized a **Teachers' Day Celebration** to express gratitude and appreciation towards teachers for their valuable contribution, guidance, dedication, and continuous support in shaping the academic and professional development of students.

Teachers' Day provides an opportunity for students to acknowledge the important role played by teachers in imparting knowledge, developing skills, encouraging creativity, and guiding students towards becoming responsible professionals and citizens.

2. Event Details

Particular	**Details**
Event	Teachers' Day Celebration
Date	05 September 2026
Time	3 PM
Venue	E&TC Department Conference Hall, SOET-Y Building
Organized By	Department of Electronics & Telecommunication Engineering
School	School of Engineering & Technology
University	Sandip University, Nashik

3. Objectives of the Event

- To express gratitude and appreciation towards teachers for their dedication and contribution.
- To recognize the important role of teachers in students' academic and professional development.
- To strengthen the relationship between students and faculty members.
- To provide students with an opportunity to express their respect and appreciation towards their teachers.
- To promote values such as **respect, gratitude, teamwork, and mutual understanding**.

4. Description of the Event

The Teachers' Day Celebration was organized by the Department of Electronics & Telecommunication Engineering with active participation from students and faculty members. The program provided students with an opportunity to convey their gratitude and appreciation to their teachers.

Students participated enthusiastically in the celebration and expressed their respect towards faculty members through various activities and interactions. The event highlighted the valuable role of teachers in guiding students, developing their technical competencies, encouraging innovation, and preparing them for future professional responsibilities.

The celebration created a positive and cordial atmosphere within the department and strengthened the bond between students and teachers.

5. Outcomes of the Event

The Teachers' Day Celebration achieved the following outcomes:

- Students developed a greater appreciation for the contribution of teachers.
- The interaction between students and faculty members was strengthened.
- Students understood the importance of **respect, gratitude, and professional values**.
- The event encouraged students to actively participate in departmental activities.
- A positive and supportive academic environment was promoted within the department.

6. SDG Mapping with the Event:

The Teachers' Day Celebration contributed to the **United Nations Sustainable Development Goals (SDGs)**, particularly **SDG 4 – Quality Education**.

The event recognized the essential role of teachers in providing quality education, mentoring students, developing their knowledge and skills, and supporting their overall development. By appreciating and acknowledging the contribution of educators, the event reinforced the importance of a supportive and inclusive learning environment.

The celebration also contributed to **SDG 16 – Peace, Justice and Strong Institutions** by promoting values such as **respect, mutual understanding, responsible behavior, and positive interpersonal relationships** within the academic community.

Through these activities, the event supported the development of a respectful, collaborative, and student-friendly educational environment.

7. Conclusion

Sandip University, Nashik

School of Engineering & Technology

Department of Electronics and Telecommunication Engineering

The **Teachers' Day Celebration** was successfully conducted by the Department of Electronics & Telecommunication Engineering with enthusiastic participation from students and faculty members. The event provided a meaningful platform for students to express their gratitude and appreciation towards their teachers.

The celebration strengthened the relationship between students and teachers and emphasized the importance of educators in shaping the academic, professional, and personal development of students. It also promoted values of **respect, gratitude, teamwork, and social responsibility**.

Overall, the event was **meaningful, engaging, and inspiring**, and successfully reinforced the importance of teachers and quality education in the development of responsible and skilled professionals.
