## **Eminent Lecture Series**

**Academic Year 2021-22, Semester II**

**Organised by**

**Department of Basic Engineering Sciences**

### **Convener**

**Dr. Mahendra D. Shinde**

**Associate Professor & Head**

**First Year B.Tech**

### **Organizing Committee Members**

**Ms. Neetu Sharma, Assistant Professor**

**Mrs .Megha Kothawade, Assistant Professor**

**Dr. Anita Kailas Sanap, Assistant Professor**

## Eminent Lecture No. 4

**Topic:** *“Awareness Session of Infosys SpringBoard”*

**Resource Person:** **Mr. Lalit R. Patil, Central TPO, Sandip University, Nashik.**

**Date:** Thursday, May 12<sup>th</sup>, 2022

**Time:** 2:00 pm to 3:00 pm

**Venue:** Y Building, Seminar Hall, SOET

A guest lecture on **“Awareness Session of Infosys SpringBoard”** organized by the Department of Basic Engineering Sciences on Dt. 12-05-2022 for the First Year B.Tech. students. The eminent speaker was **Mr. Lalit R. Patil, Central TPO, Sandip University, Nashik.**

Mr. Lalit R. Patil sir gave wonderful presentation on Infosys Springboard which brings digital and life skills for students from class 6 to lifelong learners in India. Infosys Springboard delivered free through Infosys CSR commitment to empowering 10 million-plus people with digital skills by 2025. It provides a holistic set of courses, developed in collaboration with world-leading digital educators like Harvard Business Publishing. Infosys Springboard is fully aligned with India’s National Education Policy 2020. The Infosys Springboard learning program is particularly well-suited to grow vocational skills in addition to soft skills. Master classes, programing challenges, practice areas, and playgrounds for experimentation make the training immersive for all. The

assessment formats that follow are new-age ready with certification for learners who pass the virtual proctored examination. Nearly 400,000 learners and 300+ education institutions, NGOs, and support groups are already on board Infosys Springboard.

Wingspan is a cloud-first and mobile-first solution that enables organizations to focus on training their talent of today, to be ready for tomorrow.

The Springboard platform allows learners to prepare for emerging jobs and careers. The programme offers free online learning courses to promote development of technical skill needed in today's world.

### *Introduction by Students*

Further sir also explained the difference between Resume and CV. A resume presents a concise picture of skills and qualifications of the candidate, so length tends to be shorter and dictated by years of experience which is of generally 1-2

pages. In contrast, the CV presents a full history of the candidate which includes academic credentials, so the length of the document is variable.

*Session in progress*

Mr. Lalit R. Patil sir also focussed on the presentation skill. Presentation skills involve organizing time, body language, choosing the proper presentation material, answering event attendees' questions, and providing audience participation. Sir further added that the purpose of presentation skills is to help people deliver their message to the audience. The great presentation skills are one of the most worthwhile abilities in modern workplace culture. The reason is that presentations are an integral part of today's work ethic. The presentation skill plays very crucial role as it has a great impact on job performance, employee satisfaction, and work engagement.

*Vote of thanks by Dr. M. D. Shinde, F.E. HOD*

The lecture concluded with a short Question and Answer session.

**Student's Feedback:** As per discussion with the students, the topic covered was appreciated by most of the students and requested to arrange such talk in the future also.
