Subject: Industrial Visit to Netleap Solutions on 12th October 2026 for TY BCA, TY B.Sc. (CS AIML & VR), and SY MCA Students

***

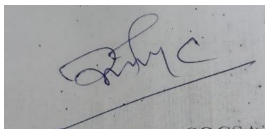

All concerned students are hereby informed that an **Industrial Visit to Netleap Solutions** is scheduled on **12th October 2026**. The visit is organized for students of TY BCA, BSC CS AI & ML & VR, and SY MCA.

Event: Industrial Visit to Netleap Solutions

Place: Netleap Solutions.

Date: 12th October 2026

All concerned students and faculty members are requested to take note of the above details and make the necessary arrangements for the successful conduct of the industrial visit.

Associate Dean

Event Name: Industrial Visit to Netleap Solutions

Details of the Event:

Date of event: 12th October 2026
Name of Event: Industrial Visit to Netleap Solutions

Venue: Netleap Solutions

Name of Coordinator: Dr. Deepali Chaudhary, (Assistant Professor)

Mr.Gaurav Durgude, (Assistant Professor)

Mr.Mayur Bothe, (Assistant Professor)

Number of Participants: 45

Organizing Committee: Faculty Members of the Department of Computer Science & Application

Brief description of Event:

The Department of Computer Science & Applications, School of Computer Science & Engineering, Sandip University, Nashik, organized an **Industrial Visit to Netleap Solutions** for students of TY BCA, TY B.Sc. (Computer Science, Artificial Intelligence & Machine Learning, and Virtual Reality), and MCA. The visit was intended to provide students with practical exposure to the industrial environment and help them understand the application of theoretical concepts in real-world professional settings.
The industrial visit aimed to familiarize students with industry practices, technological developments, software development processes, and professional work culture. It was an opportunity for students to gain insights into industry requirements and understand the skills expected from graduates entering the technology sector.
A total of 45 students participated in the visit under the guidance of the faculty coordinators, Dr. Deepali Chaudhary, Mr.Gaurav Durgude, and Mr.Mayur Bothe. The visit was planned to bridge the gap between academic learning and industry expectations and encourage students to develop practical knowledge and professional skills.

Objective of the Event:

The Industrial Visit was organized to provide students with practical exposure to the IT industry, familiarize them with industrial operations and professional practices, and help them understand the real-world applications of computer science concepts. The visit also aimed to enhance students' awareness of industry expectations, emerging technologies, and career opportunities in the IT sector.

Outcome of the Event:

The Industrial Visit was intended to enhance students' understanding of the industrial work environment and the practical applications of their academic knowledge. It aimed to improve their awareness of industry practices, technological advancements, professional expectations, and potential career opportunities in the IT sector.
