## Introduction

The Mechanical Engineering Department, School of Engineering and Technology (SOET), Sandip University, Nashik, organized a Blood Donation Camp, Eye Check-up and Overall Health Check-up on Friday, 4 September 2026, on the occasion of Teachers' Day.

The initiative was organized by the Student Association of Mechanical Engineering (SAME) with the objective of promoting health awareness, voluntary blood donation, preventive healthcare, and social responsibility among students, faculty members, and staff.

The programme commenced at 10:00 AM onwards at the Yoga Hall, Y Building, Sandip University, Nashik.

## Objectives

- To encourage voluntary blood donation.
- To create awareness about the importance of blood donation.
- To provide basic health check-up facilities to students and staff.
- To promote awareness regarding eye health and vision care.

## Event Proceedings

The programme commenced at **10:00 AM** at the **Yoga Hall, Y Building, Sandip University, Nashik**.

The event included three major activities: **Blood Donation, Eye Check-up, and Overall Health Check-up**. Participants completed the registration and necessary preliminary medical screening before taking part in the respective activities.

Eligible volunteers donated blood under the supervision of trained medical personnel. The health check-up provided participants with basic health assessment and guidance, while the eye check-up focused on vision screening and awareness regarding proper eye care.
