Event Report

On

"Guru Purnima Celebration"

- **Event Name:** Guru Purnima Celebration
- **Organized By:** School of Engineering and Technology, Mechanical Department
- **Date:** 29 July 2026
- **Venue:** 1st Floor, 'Y' Building , Mechanical Department
- **Participants:** Second Year (SE), Third Year (TE), and Final Year (BE) B.Tech Students
- **Student Coordinators:** 1. Mr. Shubham Kale (BE Mech)
  - 2. Mr. Aniket Mali (BE Mech)
  - 3. Mr. Kraneel Kadu (BE Mech)

- **Event Coordinator**
- Ms. Dhanashri J. Ganore
- **Head of the Department (Mechanical Engineering)**
- Dr. Vishal N. Sulakhe
- **Dean, School of Engineering and Technology**
- Dr. Prakash G. Burade

Acknowledgement

The **Mechanical Engineering Department**, School of Engineering and Technology (SOET), **Sandip University, Nashik**, expresses its heartfelt gratitude to the university management for their continuous encouragement and support in organizing the **Guru Purnima Celebration 2026**.

We sincerely thank the **Dean, SOET**, the **Head of the Mechanical Engineering Department**, and all the **faculty members** for their valuable guidance, motivation, and active participation, which contributed significantly to the success of the event.

We also extend our appreciation to the **Student Association of Mechanical Engineering (SAME)** for their dedicated efforts in planning and coordinating the celebration. Special thanks are due to all the student volunteers and participants whose enthusiasm, discipline, and cooperation made the event memorable.

The Mechanical Engineering Department acknowledges everyone's contribution in making the **Guru Purnima Celebration** a meaningful occasion that reinforced the values of gratitude, respect, and lifelong learning.

Introduction

The Mechanical Engineering Department of the School of Engineering and Technology (SOET), Sandip University, celebrated **Guru Purnima on 29 July 2026** with great devotion and enthusiasm. The event was organized by the Student Association of Mechanical Engineering (SAME) to express gratitude and respect towards teachers, mentors, and guides who play a vital role in shaping students' academic and personal lives.

Objectives

- To honor the invaluable contribution of teachers and mentors.
- To instill the values of gratitude, respect, and lifelong learning among students.
- To strengthen the bond between students and faculty members.
- To celebrate the rich Indian tradition of revering the Guru as a source of wisdom and inspiration.

Event Proceedings

The celebration commenced at 11:00 AM in the Mechanical Engineering Department with the gracious presence of all faculty members of the department. The program began with a warm welcome to the faculty, followed by an address highlighting the significance of Guru Purnima in Indian culture and the indispensable role of teachers in guiding students towards knowledge, character, and excellence.

Students expressed their heartfelt appreciation through speeches and messages dedicated to their teachers. They acknowledged the continuous guidance, encouragement, and support provided by the faculty throughout their academic journey.

Faculty members motivated the students by emphasizing the importance of discipline, dedication, ethical values, and continuous learning. The celebration reflected the spirit of mutual respect and gratitude between teachers and students.

Participation

The event witnessed enthusiastic participation from:

- Faculty members of the Mechanical Engineering Department
- Student members of SAME

Outcome

The Guru Purnima celebration successfully reinforced the importance of respecting teachers and recognizing their role in shaping future professionals and responsible citizens. The event strengthened the student–teacher relationship and inspired students to pursue knowledge with sincerity, dedication, and humility.

Conclusion

The Guru Purnima Celebration 2026 was successfully organized by the Student Association of Mechanical Engineering (SAME) under the guidance of the faculty members of the Mechanical Engineering Department. The event served as a meaningful tribute to teachers and reaffirmed the timeless values of gratitude, wisdom, and lifelong learning. The celebration concluded with a vote of thanks, leaving everyone inspired by the message:

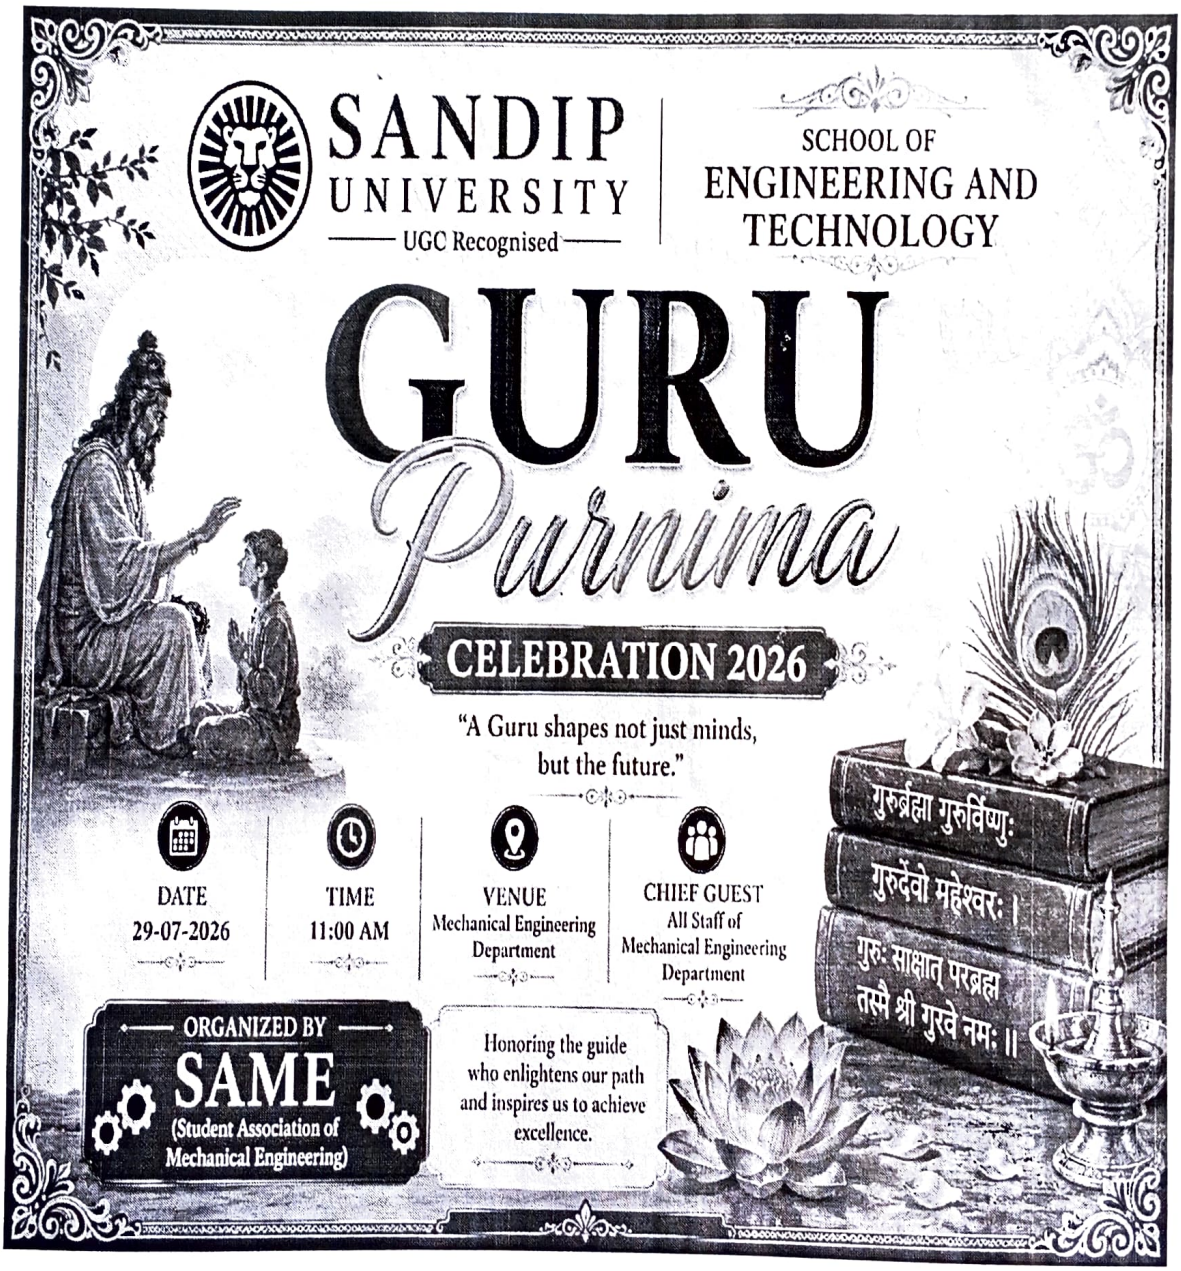

"A Guru shapes not just minds, but the future."

Sustainable Development Goal (SDG) Mapping

The Guru Purnima Celebration contributes to the following Sustainable Development Goals through its emphasis on quality education, values, inclusion, interpersonal relationships, and responsible citizenship.

Sr. No.	SDG	SDG Goal	Contribution of the Event
1	SDG 4	Quality Education	Promotes lifelong learning, respect for teachers and mentors, and encourages students to pursue knowledge, discipline, dedication, and continuous learning.
2	SDG 5	Gender Equality	Provides an inclusive platform for students and faculty members to participate and contribute equally in an academic and cultural activity.
3	SDG 10	Reduced Inequalities	Strengthens a sense of belonging and mutual respect among students and faculty members, encouraging inclusive participation within the department.
4	SDG 16	Peace, Justice and Strong Institutions	Encourages ethical values, mutual respect, responsible behaviour, discipline, and positive student–teacher relationships.
5	SDG 17	Partnerships for the Goals	Promotes collaboration among the Mechanical Engineering Department, faculty members, SAME, student volunteers, and participants for successful event organization.

EVENT SUMMARY: GURU PURNIMA CELEBRATION

Organized by: Students Association of Mechanical Engineering (SAME), Department of Mechanical Engineering, Sandip University, Nashik

Date: 29 July 2026
Venue: 1st Floor, 'Y' Building, Mechanical Department, Sandip University, Nashik
Event Coordinator: Ms. Dhanashri J. Ganore
Student Coordinators: Mr. Shubham Kale, Mr. Aniket Mali and Mr. Kraneel Kadu

Summary of the Event:

The Students Association of Mechanical Engineering (SAME), Department of Mechanical Engineering, Sandip University, Nashik, celebrated Guru Purnima to honour teachers and mentors for their valuable guidance, knowledge and contribution to students' lives. The programme commenced at 11:00 AM and highlighted the traditional importance of respecting gurus and recognizing their role in shaping students' academic, professional and personal development.

The celebration provided an opportunity for students to express their gratitude towards faculty members and acknowledge their continuous efforts in guiding them towards success. The event reinforced the values of respect, gratitude, lifelong learning and the teacher–student relationship.

Outcome: The celebration strengthened mutual respect between faculty members and students and promoted a culture of gratitude and continuous learning.

SDG Mapping: SDG 4 – Quality Education.

Acknowledgement: The department extends its sincere thanks to the university administration, Dean, Head of the Department, faculty members, event coordinator, student coordinators and participating students for their valuable support in making the celebration successful.
