Acknowledgement

The Mechanical Engineering Department, School of Engineering and Technology (SOET), Sandip University, Nashik, expresses its heartfelt gratitude to the university management for their continuous encouragement and support in organizing the **Teachers' Day Celebration 2026**.

We sincerely thank the **Academic Dean, SOET, Dean, SOET, Head of the Mechanical Engineering Department, and all faculty members** for their valuable guidance, motivation, and support, which contributed significantly to the successful organization of the programme.

We also extend our appreciation to the **Student Association of Mechanical Engineering (SAME)** and all student volunteers for their dedicated efforts in planning, coordinating, and conducting the celebration.

Special thanks are extended to all the faculty members and students whose enthusiastic participation made the celebration meaningful and memorable.

The Mechanical Engineering Department acknowledges everyone's contribution in making the Teachers' Day Celebration a successful occasion that strengthened the bond between **teachers and students** and promoted the values of **respect, gratitude, teamwork, and appreciation**.

NAAC GRADE A

Introduction

The Mechanical Engineering Department of the School of Engineering and Technology (SOET), Sandip University, Nashik, organized a Teachers' Day Celebration on 5 September 2026. The programme was organized by the Student Association of Mechanical Engineering (SAME) to express gratitude and appreciation towards teachers for their valuable contribution to students' academic and personal development.

The celebration provided an opportunity for students to acknowledge the guidance, support, and dedication of their teachers.

Objectives:

1. To express gratitude and respect towards teachers.
2. To recognize the valuable contribution of faculty members.
3. To strengthen the bond between students and teachers.
4. To provide students with an opportunity to appreciate their teachers.
5. To promote values of respect, gratitude, teamwork, and cooperation among students.

Event Proceedings

The Teachers' Day Celebration commenced at **10:00 AM** at the **2nd Floor, 'Y' Building, Mechanical Department**.

The programme began with a warm welcome to all faculty members and students. Students expressed their gratitude and respect towards their teachers through various activities and messages. A short programme was arranged for all the teachers. Students actively participated in the celebration and expressed their appreciation for the continuous guidance, encouragement, and support provided by the faculty members.

As a gesture of gratitude, **tokens of appreciation were presented to the teachers**. The programme created a positive and respectful atmosphere and provided an opportunity for students and faculty members to interact and celebrate together. The entire programme was conducted in a disciplined and coordinated manner with the active support of SAME members and student volunteers.

Participation

The event witnessed enthusiastic participation from:

- Faculty members of the Mechanical Engineering Department.
- Student members and volunteers of SAME.
- SE, TE, and BE B.Tech Mechanical Engineering students.
- Student coordinators and volunteers.

Outcome

The Teachers' Day Celebration successfully provided students with an opportunity to express their gratitude and appreciation towards their teachers.

The programme strengthened the student–teacher relationship and created a positive environment of respect and appreciation. The active participation of students also demonstrated their teamwork, coordination, and organizational skills.

Conclusion

The Teachers' Day Celebration 2026 was successfully organized by the Student Association of Mechanical Engineering (SAME) under the guidance and support of the Mechanical Engineering Department.

The celebration served as a meaningful tribute to the teachers and provided students with an opportunity to recognize their valuable contribution and guidance.

The programme concluded with a vote of thanks to the university management, academic leadership, faculty members, student coordinators, volunteers, and all participants for their valuable support and cooperation.

"A great teacher inspires, guides, and shapes the future."

SUSTAINABLE DEVELOPMENT GOALS (SDG) MAPPING

The Teachers' Day Celebration contributes to the Sustainable Development Goals by recognizing the role of educators, encouraging inclusive and respectful relationships, and strengthening cooperation within the university community.

SDG	Goal	Relevance to the Event
SDG 4	Quality Education	Recognizes teachers' contribution to learning, student development, and quality education.
SDG 5	Gender Equality	Promotes equal respect and appreciation for all teachers, irrespective of gender.
SDG 10	Reduced Inequalities	Encourages an inclusive environment where all faculty members and students are valued.
SDG 16	Peace, Justice and Strong Institutions	Promotes respect, positive relationships, discipline, and a supportive institutional culture.
SDG 17	Partnerships for the Goals	Strengthens collaboration among students, faculty members, coordinators, and university leadership.

Overall SDG Contribution

The event supports the university's commitment to social responsibility, inclusion, well-being, and collaborative campus engagement. The mapping identifies the goals most directly connected with the event activities.

EVENT SUMMARY: TEACHERS' DAY CELEBRATION

Organized by: Students Association of Mechanical Engineering (SAME), Department of Mechanical Engineering, Sandip University, Nashik

Date: 5 September 2026
Venue: 2nd Floor, 'Y' Building, Mechanical Department, Sandip University, Nashik
Event Coordinator: Ms. Dhanashri J. Ganore
Student Coordinators: Mr. Abhishek Vidhate, Mr. Aditya Kothule and Mr. Shubham Kale

Summary of the Event:

The Students Association of Mechanical Engineering (SAME), Department of Mechanical Engineering, Sandip University, Nashik, celebrated Teachers' Day to express gratitude and respect towards teachers for their valuable contribution to students' academic and personal development. The celebration highlighted the importance of teachers as mentors and guides who inspire students to achieve their goals. Students participated enthusiastically in the event, creating a positive atmosphere and strengthening the bond between faculty members and students.

The event promoted respect, appreciation, discipline and the importance of quality education. It also encouraged students to recognize the continuous efforts of teachers in shaping their future.

Outcome: The celebration strengthened student–teacher relationships and fostered a culture of respect and appreciation within the department.

SDG Mapping: SDG 4 – Quality Education.

Acknowledgement: The department sincerely acknowledges the support and guidance of the university administration, Dean, Head of the Department, faculty members, event coordinator, student coordinators and all participants for making the celebration successful
