

Academic Year 2021-22
Report on Webinar by Dr. A. Muthuraja

1. **Event Title: Webinar on "Current Trends and Job Opportunities in Mechanical Engineering"**
2. **Event Date: 23 October 2021**
3. **Event Conduction Duration: 02 hrs.**
4. **Event Venue: Google meet**
5. **Name of Event Coordinator:**
 - Staff event Coordinator: Dr. Vishal Sulakhe
 - Student event Coordinator: Anuj Nikam
 - Host of the event: Tanishq kamble & Joel Thomas
 - Poster Design & created by: Shubham Chaudhary

6. Event Outline, Objective & Outcome of the event**Event Outline & Objective:**

The objective of this webinar was to enlighten the students about the trends and job opportunities after mechanical engineering. Dr. A. Muthuraja sir very elaborately shared and explained their knowledge about the topic. He very well explained the four types of industrial revolutions with respect to time, the four components of the industries and the current trends in technology like 3D printing and paper battery.

Towards the end of the webinar he informed the students about the various job opportunities in mechanical engineering which included employment sector as well as industrial.

Outcome of the event:

Each and every student attending the webinar got a clear idea about his future choices, and what he/she can expect from the pursuing degree.
