**Outline of Program:** Training & Placement cell of department of Mechanical Engineering has organized an Artificial Intelligence (AI) based students assessment for placement in various organizations on 12/10/2019 at Seminar Hall, Y- building , SOET . Guest of event were Mr. Saurabh Kerhalkar, Senior Territory Manager, HireMee, Bengluru, Karnataka. The event was organized under the guidance Mr. G.V. Mahajan & D. S.Dhondge.

**Objective of Program:** To provide job opportunities in leading corporate to students, especially from tier II and III towns. HireMee, the recruitment platform is a part of Karpaga Assessment App Matrix Services Pvt. Ltd (KAAM Services) and a social enterprise by Vee Technologies. Mr. Chocko Valliappa, the founder of HireMee, started the company with a vision to get young graduates- India's hidden diamonds from different tiers of the nation to be discovered by companies. The company is also on a mission to register and complete assessments of 2 million students from over 7000 campuses.

**Output of Program:**
-An AI driven app based assessment solutions for students that helps them to take assessment at any time & anywhere.
- A robust campus hiring solution for final year students to get placed instantly.
- Bridge the gap between graduates and corporates through industry and academia-backed skill testing.
-Students uploaded their video profiles where they talk about their skill sets and areas of interest. These 20-second video clips are uploaded using the HireMee mobile application which is available on both google play store and IOS platform.
