

Teachers' Day

Date: 5th September 2024

Venue: F129 Class Room Mechanical Engineering Department

Introduction

Teachers' Day is celebrated every year on 5th September to honor the contribution of teachers to society. The Mechanical Engineering Department of SOET organized a special program to mark this occasion. The event aimed to recognize the efforts of faculty members and their continuous commitment to shaping the future of budding engineers.

Objective

The primary goal of the celebration was to express gratitude to the teaching faculty for their hard work, dedication, and their pivotal role in mentoring and educating students in the field of mechanical engineering.

Program Details

The event commenced at 10:00 AM in the F129 Class Room. The hall was beautifully decorated, and arrangements were made to ensure all faculty members and students participated in the celebration.

Welcome Address

The program began with a welcome speech by **Prof. Dr. Prakash Burade**, Associate Dean, followed by speeches from **Dr. Vishal N. Sulakhe**, Head, Mechanical Engineering Department, and **Dr. Kiran Kaware**, Academic Coordinator. These speeches set the tone for the event, emphasizing the invaluable role of teachers in shaping the future of students. He emphasized the importance of teachers in students' lives and the critical role they play in fostering not only academic growth but also personal development.

Cultural Performances

To add joy to the occasion, students organized a few cultural activities. There were several performances, including a song and poem dedicated to teachers, followed by a humorous skit that portrayed a classroom setting, highlighting the importance of discipline and knowledge transfer.

Felicitation Ceremony

The key highlight of the day was the felicitation of the teaching faculty. Each faculty member was honored with a token of appreciation by the students, which included flower plants as a sign of their respect and gratitude.

Speech by Senior Faculty Members

Senior professors from the Mechanical Engineering Department shared their experiences and wisdom.

They reminisced about their teaching journey and gave motivational speeches, urging students to work hard, stay focused, and value the guidance they receive.

Vote of Thanks

The event concluded with a vote of thanks by the Student Coordinator, who expressed appreciation on behalf of the entire student body. He thanked the faculty for their continuous support and guidance and also acknowledged the efforts of the organizing committee for making the event a success.

Conclusion

The Teachers' Day celebration in the Mechanical Engineering Department was a memorable and heartwarming event. It strengthened the bond between students and faculty, highlighting the respect and admiration students have for their teachers. The event concluded with the faculty members and students engaging in informal discussions, making the day even more special.

The celebration served as a reminder of the dedication that teachers bring to their profession and the impact they have on shaping future engineers.
