Brief description of Event:

The Department of Computer Science & Applications, School of Computer Science & Engineering, Sandip University, Nashik, organized an **NSS Extension Activity** on 9th October 2026 at Anjaneri Village, Trimbakeshwar, Nashik. The activity aimed to promote environmental awareness and encourage students to understand the importance of community participation and environmental sustainability.
The activity focused on creating awareness about the responsible use of natural resources and the importance of protecting the environment. It provided students with an opportunity to engage with the local community and understand their role in promoting environmental responsibility and sustainable practices.
The activity was conducted under the guidance of Mr.Gaurav Durgude, Ms. Ishwari Rakibe, and Mr. Akshay Gadekar. The initiative encouraged students to develop a sense of social responsibility, teamwork, and active participation in community-oriented activities.

Objective of the Event:

The NSS Extension Activity was organized to promote social responsibility among students, encourage community engagement, and create awareness about environmental sustainability. It aimed to motivate students to participate in social initiatives, understand local environmental concerns, and contribute positively to society.

Outcome of the Event:

The NSS Extension Activity provided students with an opportunity to understand the importance of community participation, environmental awareness, and social responsibility. It encouraged teamwork, civic engagement, and a sense of responsibility toward environmental protection and community welfare.
