- 7. Event Outline:**

**Outline of Program:** On Tuesday, 11<sup>th</sup> September, 2018, 09:00 A.M. a seminar is organised by Ms.Nagma Shaikh for the Aerospace Engineering Department both First Year and Second Year Students to enlighten about pool of "**Internship Abroad**" opportunities". The Expounder was

the public speaker Mr. Kerron Vaishnav, Founder and National Secretary of DISHA International Foundation Trust.

**Objective of Program:** Working outside of India is what every student dreams of. Every student at least once in his life wants to experience what living out of India feels like. Doing an internship gives them this chance. Getting into outside companies for an internship is a big opportunity and such seminars are an eye opener for students to think about their future plans.

The Objective of this Seminar is:

- To aware the students about internship opportunities outside of India
- To aware the students about the various documents required
- To aware the students of various skills offered around the world

**Output of Program:** The speaker explained and highlighted the importance of internships and motivated the students to think about their future and start panning for it from now on. The speaker also explained about the skills students can develop going outside, procedures for getting internships and job opportunities available after that.

**8. Event photos which must include photos of Inauguration, felicitation, event conduction and valedictory ceremony. (If applicable)**
