

**Civil Engineering Department
School of Engineering & Technology
Academic Year 2024-25
Report on Expert Talk**

- 1. Event Title:** A Practical Guide to Initiate Your Research Journey
- 2. Event Date:** 17/08/2024
- 3. Event Conduction Duration:** 10.30 AM TO 3:30 PM
- 4. Event Venue:** F109, Department of Civil Engineering SOET Sandip University Nashik
- 5. Event Resource Person Details (Speaker Image, Speaker name, Designation, company name)**

Prof. (Dr.) A. K. Dwivedi
Director, IQAC, Sandip
University

Prof. (Dr.) M. S. Endait
Asso. Dean, Sandip
University

Mrs. Neetu Sharma
Assistant Professor,
Department of
Engineering Sciences

6. Name of Event Coordinator with contact details:

Mr. Amit Kumar - Mo. 9049381383
Mr. Deepak Prasad - Mo. 7607069710

7. Number of Participants: More than 50

8. Event Outline, Objective & Outcome of the event:

Outline: An expert talk has been organized on the theme “A Practical Guide to Initiate Your Research Journey” in Civil Engineering Department, SOET, Sandip university on dated 17.08.2024.

Objective: To excel the student’s carrier towards current research opportunities.

Outcome of session– Students are able to understand how to initiate research problem statement, specific objectives and methodology to solve the same. At the end of the session students learnt the following points.

- **Getting Started with Research:** Key steps to kickstart your research process effectively.
- **Choosing the Right Research Topic:** Tips for selecting a topic that aligns with your interests and academic goals.
- **Literature Review Essentials:** How to conduct a thorough literature review to build a solid foundation for your research.
- **Research Methodologies:** An overview of different research methods and how to choose the appropriate one for your study.
- **Effective Research Planning:** Strategies for organizing your research process, from hypothesis formulation to data collection.
- **Navigating Academic Resources:** Utilizing libraries, databases, and online resources to support your research.
- **Collaborating with Advisors and Peers:** Building productive relationships with mentors and research teams.
- **Writing and Publishing Your Research:** Guidance on drafting research papers, reports, and getting published in academic journals.
- **Overcoming Research Challenges:** Practical advice on dealing with common obstacles in the research process.
- **Ethics in Research:** Understanding the importance of ethical considerations and integrity in conducting research.

Inauguration of session and Felicitation of Prof. M. S. Endait

Session 1: Addressed by Prof. M. S. Endait on topic “Research Opportunities”

Group photo of Session 1

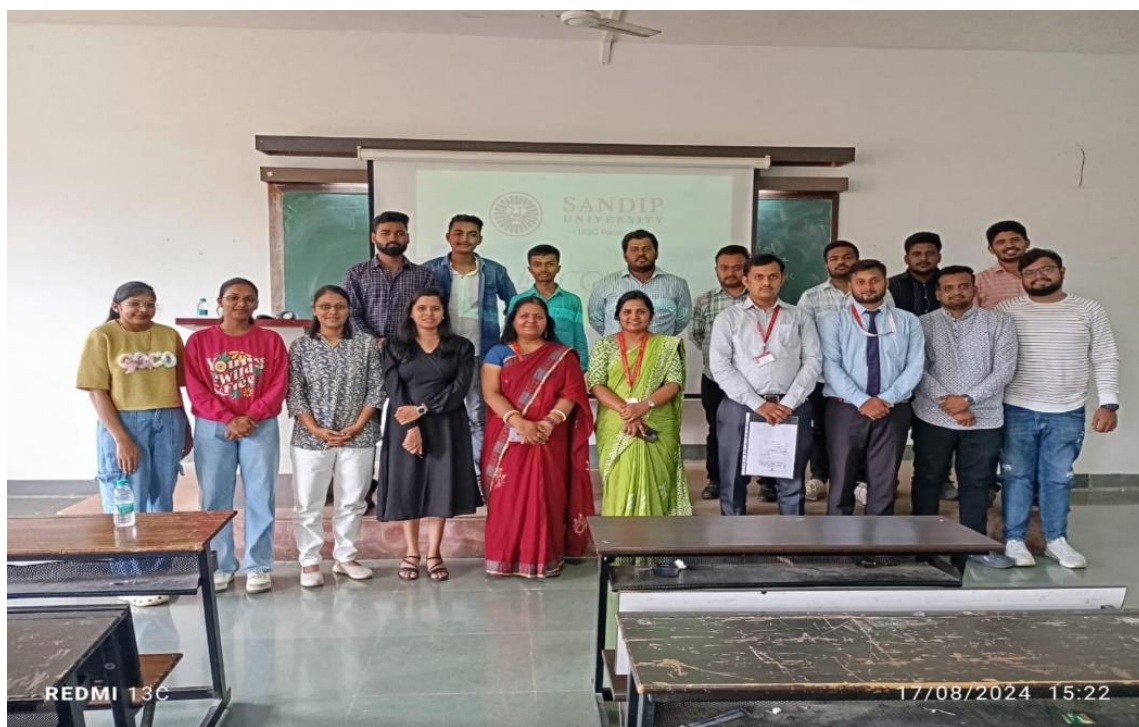

Session 2: Addressed by Prof. A.K. Dwivedi on topic “Teaching & Learning in Master Program”

Group Photo of Session 2

Session 3: Addressed by Mrs. Neetu Sharma on topic “Responsibility of Student Welfare in Research Institute”
