7. Number of Participants: 30

8. Event Outline, Objective & Outcome of the event:

Outline: Induction program for newly Admitted M.Tech Students (Batch 2025_2026) in Civil Engineering Department. The Event was conducted at School of Engineering & Technology, Nashik; 16.08.2025

Objective: The goals of the orientation programs are to create student's familiarity with the institution's regulations and academic standards, acquaint the students with their classmates and to learn about the other institutional members that will help students succeed. Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.

Outcome of Event– Students are able to understand about institution's regulations and academic standards, acquaint the students with their classmates and to learn about the other institutional members that will help students succeed. Students are able to understand detailed Procedure of ERP Portal.
