Report Expert Lecture and Hands-On Training Session on MAD 3D Software

1. Event Title: Expert Lecture and Hands-On Training Session on MAD 3D Software!

2. Event Date: 30/08/2024

3. Event Conduction Duration: 10.30 AM TO 12:30 PM

4. Event Venue: Civil Engineering Department

5. Event Resource Person Details

Mr. Deepak Shelar

Executive Structural Engineer

Dimslon Structures Training Institute

6. Name of Event Coordinator with contact details:

Mr Rohan Kumar Choudhary

Assistant Professor

Civil Engineering Department-9561640973

7. Number of Participants: 50 students + 10 faculty members = 60

8. Event Outline, Objective & Outcome of the event:

Outline: The lecture was followed by a hands-on training session, where students were guided through the installation process and key functionalities of the software. Mr. Shelar provided a live demonstration, showcasing how the software can be used for real-world foundation design, projects.

Objective: To familiarize students with the features and applications of MAD 3D software.

Outcome:

- **Knowledge Enhancement:** Students gained a deeper understanding of MAD 3D software and its applications in civil engineering.
- **Skill Development:** The session provided students with practical skills in foundation design using MAD 3D, which will be valuable for their academic and professional careers.

Welcome and Felicitation of Speaker

The lecture was conducted by the expert
