DEPARTMENT OF CIVIL ENGINEERING
M.Tech-Environmental Engg

Academic Year 2017-18
Report on **Educational Visit**

1. Event Title – Educational visit at “Solid Waste Treatment Plant” Viholi Nasik, MH.

2. Event Date –3/2/2018

3. Event Conduction Duration – 12 pm- 4pm

4. Event Venue – Viholi Nasik, Maharashtra

5. Event Resource Person Details (Speaker Image, Speaker name, Designation, company name): Mr. Sanjay Borse, Solid Waste Technologist, NMC, Nasik

6. Name of Event Coordinator with contact details: Prof. Swati A. Patil (8698747179)

8. Event Outline, Objective & Outcome of the event -

Outline of Program: M.Tech Environmental Engineering Students were visited to “Solid Waste Treatment Plant” Viholi Nasik on 3/2/2018. This visit made students to understand sources, classification, collection methods and disposal methods of solid waste.

Objective of Program:

- i) To assess the activities involved for the proposed and determine the type, nature and estimated volumes of waste to be generated.
- ii) To identify any potential environmental impacts from the generation of waste at the site.
- iii) To recommend appropriate waste handling and disposal measures.
- iv) To categorise waste material where practicable (inert material / waste fractions) for disposal considerations i.e. public filling areas / landfill.

Outcome of Program: Students were understood the recycling of solid waste and various disposal methods of solid waste.
