

## Event Report

1. **Event Title:** Electrical Engineering Student Association (EESA) inauguration Organized by Electrical & Electronics Department on 19<sup>th</sup> March 2024 in Y building .

2. **Event Date:** 19th March 2024

3. **Event Conduction Duration:** Full Day

4. **Event Mode:** Offline

5. **Event Target Audience:**

All Faculty Members & All Students Of EEED,SOET,SUN, 'Y' Building.

6. **Name of Event Coordinator with contact details:**

Mr. Harshal Shelar, Ass. Prof.,EEED,SOET and Mr. Harshal Chaughule, Ass. Prof., EEED, SOET

Report Prepared by: Mr. Yogesh M. Kahandal,TA,EEED,SOET

7. **Event Outline & Outcome of the event:**

**Objective of Program:**

**Key Personnel:**

Dr. Prakash G. Burade, Associate Dean of Engineering

Dr. Mangesh D. Nikose, Head of the Electrical and Electronics Engineering Department

Dr. Jitesh Shinde, Associate Professor

Mr. Harshal Shelar, Assistant Professor

Mr. Harshal Chaughule, Assistant Professor

Ms. Shraddha Zanjat, Assistant Professor

Mr. Gaurav Patel , Assistant Professor

Other staff members and students were also present

Highlights:

The event commenced with an opening address by Dr. Prakash G. Burade, emphasizing the importance of the EESA for the students and the department as a whole.

Dr. Mangesh D. Nikose shared insights into the objectives and future plans of the EESA, highlighting its role in promoting academic and extracurricular activities for the electrical engineering students.

The faculty members, including Harshal Shelar and Harshal Chaughule, expressed their support for the EESA and encouraged active participation from the students.

The inauguration concluded with an interactive session where students were invited to share their expectations and aspirations for the EESA.

Overall, the inauguration of the EESA served as a platform to unite the electrical engineering students, faculty, and staff in their shared endeavors and aspirations within the department.

### **Output of Program:**

#### **Inauguration Program:**

- The inauguration program for EESA was held with great enthusiasm and participation from students and faculty members.
- The event began with an inaugural speech by the faculty advisor or a distinguished guest, emphasizing the importance of EESA and its role in promoting academic and extracurricular activities within the Electrical Engineering department.
- The elected student representatives of EESA may have shared their vision and plans for the association, highlighting their commitment to fostering a vibrant academic and social environment for electrical engineering students.

#### **Sports Activities:**

- Chess Tournament: A chess tournament was organized, attracting participation from students who showcased their strategic and tactical skills in the game.
- Carrom Competition: A carrom competition provided an opportunity for students to display their precision and agility in this popular indoor game.
- Poster Competition: A poster competition may have been held, where students creatively depicted themes related to electrical engineering, technology, or innovation.

Overall, the inauguration program and sports activities served as a platform for students to engage in friendly competition, develop leadership and organizational skills, and build camaraderie within the academic community. These events also contributed to the holistic development of students beyond the confines of traditional classroom learning.

Electrical Engineering Students' Association (EESA) inauguration program at Sandip University included the following activities and events:

- Inauguration ceremony for EESA
- Sports activities organized by students, such as:
  - Chess tournament
  - Carrom competition
  - Poster competition

The event aimed to promote unity, participation, and skill development among students, and to foster a sense of community within the Electrical Engineering department.
