

Report

FDP – One day MATLAB Workshop

- 1. Event Title:** One Day Workshop on “MATLAB and Simulink”
- 2. Event Date:** 11st July 2019
- 3. Event Conduction Duration:** 10.00 AM to 4:00 PM
- 4. Event Venue:** Seminar hall, Y Building, SOET, Sandip University, Nashik
- 5. Event Resource Person Details:**
Pawankumar Fakatkar
Education Technical Evangelist
MathWorks, India.
- 6. Name of Event Coordinator with contact details:**

Dr. Rahul Agrawal - Convener
Dr. P.M Sonwane - Organizing Secretary
Mr. Kishor C. Muley - Coordinator
Organizing Committee
Mr. H. R. Shelar
Mr. H. R. Chaughule
Mr. C. N. Dharmadhikari
Mr. Sachin Kakde

7. Event Outline & Outcome of the event:

Objective of Program: The workshop was arranged to introduce faculties from all the discipline with MATLAB and Simulink software. **MATLAB** (Matrix Laboratory) is software package for numerical or technical computing designed for computation, visualization, and

programming. It is an interactive, integrated, environment for numerical computations and for symbolic computations. The software is extensively used in curriculum and research for all engineering fields.

Output of Program:

Faculties, P.G/U.G. Students from Electrical, Electronics, Mechanical and Aerospace Engineering attended the workshop for introduction to MATLAB and Simulink. Tutor discussed about different applications of MATLAB programming specific to different domains. He introduced to basic programs, Simulink models, special application packages and their scope in the research. The session was very enlightening for all the faculties and students and encouraged all to explore research possibilities using MATLAB software.
