Eminent Lecture No. 1

Topic: *“Project Base Learning (PBL)”*

Resource Person: **Dr. Pawan Bhaldare, Professor & Head of CSE Dept., SUN, Nashik**

Date: Thursday, April 28th, 2022

Time: 2:00 pm to 3:00 pm

Venue: Y Building, Seminar Hall, SOET

A guest lecture on *“Project Base Learning (PBL)”* organized by the Department of Basic Engineering Sciences on Dt. 28-04-2022 for the First Year B.Tech. students. The eminent speaker was **Dr. Pawan Bhaldare**, Professor & Head of CSE Dept., SUN, Nashik.

Dr. Pawan Bhaladare sir started the session with **Einstein's quote** *“Wisdom is not a product of schooling but of the lifelong attempt to acquire it”*.

Session in progress

Further he added that the Einstein was not only a brilliant thinker and scientist, but his understanding of life went beyond the academic and theoretical. He was a man who understood and appreciated the difference between knowledge and wisdom. He understood that knowledge and wisdom are not attained in the same way in the same place.

Dr. Pawan Bhaladare sir given three important sentences to remember to students

1. Tell me and I forgot
2. Show me and I understand
3. Involve me and I understand

Session in progress

Further sir has suggested that there are essentially of 4 levels for learning: Knowledge, Comprehension, Application and Wisdom.

Knowledge means I can remember information I've been exposed to.

Comprehension means I can grasp and understand that information.

Application means I can apply that information in practical ways.

Wisdom means I can discern and judge properly as to what is true and right.

Faculties and Students

Dr. Pawan Bhalhare sir focussed on motivational part. Luck is great, but life is meant to be experienced. Sometimes the only way out of stress is through it; face struggle to overcome challenges in life. Many times battle happens to help teach us a lesson. We can either learn from that lesson or deny it.

Dr. Pawan Bhalhare sir also said that give it your best, and your dreams will come to life. Success is yours.
