The Program started with the welcome of the chief Guest by Mrs. Megha Kothawade. In her introductory address she said that the policemen really work hard for the safety of the civilians. They support us to solve the problems of common man.

The Head of Basic engineering science Department Dr. Mahendra Shinde Sir felicitated the chief guests Sr. Inspector Suraj Bijali and welcomed his team.

Felicitation of Chief Guest

The program continued with the Saraswati Poojan in honour of the goddess Saraswati, goddess of knowledge. We all prayed to goddess by enlightening the lamp.

Saraswati Poojan

Sr. Inspector Suraj Bijali gave supportive information on the Role of cyber cell police station and Precautions to avoid cyber-crime which helped the attendees to understand the importance and awareness of cyber-crime and cyber security. Cyber security is practice of defending computers, servers, mobile devices, electronic systems, networks and data from malicious attacks.

The Honorable inspector Suraj Bijali sir initially discussed privacy, precautions, drawbacks of social media like WhatsApp, Facebook, Instagram, telegram, etc. He also explained how digital footprints helps them to track users. He told the attendees, students and faculties how to protect themselves from fishing and data leech and illegal use of our personal data.

He further moved on to the point of child pornography which is one of the major concerns in today's society. He also gave examples on how financial theft are cause due to careless sharing of credentials by the users.

After completion of his speech he let the audience to ask questions and queries regarding this session and satisfied all by clearing their concerns.

The police constable Bhushan Deshmukh addressed after Sr. Police Inspector Suraj Bijali. He talked about the threats from anonymous users and shielding ourselves from online frauds and blackmails by taking examples of a case that took place recently few months ago. He then fulfilled the doubts of the students.

Vote of thanks and session conclusion

The session was concluded with the vote of thanks by Mrs. Megha Kothawade. The Lecture was appreciated with a huge round of applause.

Students Feedback: As per discussion with the students the topic covered was appreciated by most of the students and requested to arrange such talk in the future also.
