Objective of the Event:

Freshers' Day marks the warm welcome extended by seniors and faculty to the newly admitted students, helping them transition smoothly into the institution. The celebration aims to create a friendly and inclusive atmosphere where freshers feel comfortable, valued, and motivated to begin their academic journey. By encouraging interaction between juniors, seniors, and teachers, the event nurtures bonds of friendship, teamwork, and mentorship. Freshers' Day also highlights the diverse talents of students, fostering confidence and a sense of belonging in the new environment.

Outcome of the Event:

The program commenced with a formal welcome by Mrs. Rakhee Poonawalla, Dean (I/c.) SOL, for the freshers, where the senior students extended greetings through flowers and welcome cards. This was followed by an address by the Dean and faculty members, emphasizing the importance of unity, discipline, and growth during their academic journey. The seniors organized a series of engaging cultural performances, including dances, songs, and skits, to entertain and connect with the new students. Freshers also got an opportunity to showcase their talents through dance, and dialog showcasing from entertainment media, which brought vibrancy and joy to the occasion. A highlight of the event was the “Mr. & Ms. Fresher” contest, where participants engaged in fun rounds such as introductions, talent showcases, and witty Q&A sessions, encouraging creativity and confidence.
