

Event Report

Event Name: Traffic awareness program

Date of the Event: 30/10/2021

Duration of the Event: 10:30 am to 1:30pm

Venue: Traffic signals of City Centre mall, AAB Circle and College Road signal

Name of the Event Coordinator: Abhijit Kasar, Assistant professor SOL

Objective of the Program: To promote awareness among the citizens pertaining to the traffic rules and regulations. The traffic issues like signal jumping, jumping zebra crossing biking without helmet, NON -PUC vehicles are measure concerns in today's world. To aware people about traffic rules and request them to wear helmets.

Outline of the Program:

School of Law, Sandip University, Nashik has organized traffic awareness activity in Nashik city. Students from BA/BBA/LLB(Hons) had participated in this event. Morning at 10:00 am all students gathered at city centre mall corner. Mr. Sajan Sonavane Assistant commissioner of Police (Traffic), Nashik visited their and encouraged students for this activity and also gave them instruction to be followed. There were around 17 students gathered for this activity. Organiser of this event Mr. Abhijit Kasar instructed all of them to follow guidelines given by the Police department. He gave 50 roses and traffic regulations book to all the students for distribution. All the students were divided into 4 groups and stood at all corner of traffic signals. Those who were not wearing helmets, those were guided to wear helmet for their safety, those who were not fasten seatbelts were requested to fasten seat belts. Those who were jumping zebra crossing were guided to move back. The traffic police were helping students for this activity. Same activity were conducted at ABB and college road signals. All the students were enthusiastically completed this activity.
