### **Objective of the Program:**

Legal Education is a technique, arena and platform for the rational, orderly and non-violent settlement of disputes and handling of conflicts.

### **Outline of the Program:**

School of Law, Sandip University, organised orientation programme for fresher students each year to make the new students understand the rules, regulation opportunities and challenges of a law student.

The programme started by lighting of the lamp and taking blessings from Goddess Saraswati. Later our beloved Vice Chancellor Dr. Rajendra Sinha addressing the audience with a welcome speech. The occasion was graded by Advisor Dr. Mrinal Raste, Friend of University Kristain Komplac, Associate Dean Dr. Bhavana Kadu and faculties and students. There after the guest was felicitated with flowers and memento. The guest elaborated the importance of legal education. How Legal education focuses on developing good lawyers who are educated in human values and human rights, besides the law itself. After all, the law functions within a society and not in a vacuum, and society is often value-based which makes cold hard logic difficult to apply in all situations. He spoke about legal education system, career opportunities by comparing old and new education system. He also spoke about the importance of law in all the disciplines. He emphasis about NEP and need of multi-disciplinary laws.

Lastly vote of thanks was delivered by student and the guest speaker has agreed to be associated with School of Law to arrange such fruitful sessions in future as well. The session was a success and the discussion on the above topic was enriching to the budding lawyers of future.
