**Industrial Visit  
To  
Ambar Auto Engineers Pvt. Ltd  
Ambad, Nashik**

**(BBA I<sup>st</sup> /III<sup>rd</sup> Semester)**

**14/11/2022**

The curriculum of a management course must include trips to various industries. Students can gain valuable hands-on experience in a variety of fields by visiting local businesses and observing how professionals in those fields interact, operate, and treat their employees. As opposed to the theoretical knowledge they are learning in their lectures, students get hands-on experience with actual workplace procedures. The purpose of the BBA First/Third-Year Industrial Visit to Ambar Auto Engineers Pvt. Ltd. in Nashik, Maharashtra, is to provide students with an opportunity to gain such experience. 88 students in all made it out to the factory. In the first semester of BBA there were 45 students, and in the third semester, there were 43. Students have taken permission from their parents and also submitted the undertaking forms.

Faculty coordinators for the industrial visit were: **Dr. Ankamreddi R. Mohan, Dr. Pradeep K. Mishra, Dr. Tanushree Gupta & Mrs. Madhuri Tambe**

**About Ambar Auto Engineers Pvt. Ltd**

#### **The outcome of the workshop**

Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices. It was great interacting with everyone at Ambar Auto Engineers Pvt. Ltd. Students have been split into two groups. Both groups were shown around the facility one after other. Every aspect of the heat treatment, tool room, forging capabilities, machining capabilities, design, and engineering of the replacement components were thoroughly covered by the company's staff. Students also asked their questions about the clients of the company, profit & loss, turnover, waste management etc.
