7. Event Outline, Objectives and Outcome of the event:

The School of Commerce and Management Studies (SOCMS) organised a guest session on 'Dental Hygiene' on 14th February 2025 between 2pm and 3pm. Dr. Vikas Kendre, a wellknown dentist, Nashik , addressed students on maintaining dental health. He also spoke on importance of dental hygiene in personal grooming in the light of corporate life ahead.

The event was organized to give insights about dos and don'ts of dental care.

The lecture aimed to achieve the following specific objectives:

Experiential Learning: Enable students to get importance of dental care.

Motivational Learning: Motivate students to maintain dental health as the part of personality trait in their personal as well as corporate life.

Positive behavioural Takeaways: To bring change in the bad habits of the students, harmful for their oral and ultimately overall health.
