---

The School of Commerce and Management Studies organized this session to inspire and empower students with valuable insights on personal growth, resilience, and success strategies. The session aimed to help students develop a positive mind-set, enhance their leadership skills, and prepare them for academic and professional challenges.

**Objective of the session:**

The primary objective of this motivational session was to inspire students towards personal and professional growth by instilling confidence, resilience, and a success-oriented mindset.

**School of Commerce & Management Sciences**

### **Conclusion**

After today's meeting with the parents, we have gathered valuable insights and feedback that will help us better support our students' development. There was a strong sense of cooperation and commitment from the parents, and their concerns and suggestions will be taken into consideration as we move forward. Moving ahead, it will be important to continue fostering open communication and ensure that we are addressing both academic and social-emotional needs of our students.
