

## **International Affairs Cell**

### **Seminar by WORLD1 Team for Opportunities of summer school fellowship at the Republic of Belarus**

**Date of Visit: - 28/01/2020**

**Venue:-SIEM Civil Seminar Hall.**

Dr Dipak Patil introduced the members to the students present for the seminar and also briefed them about their purpose of visiting our campus. Mr Manish Vig shared a detailed presentation wherein WORLD1 Group expressed their delight to provide the global Industrial short-term, hands-on, practical, experiential, and application-based skill-based training/ Internship programs at Belarus for students of Engineering, Management, and other disciplines.

He also expressed his desire to handhold and assist Sandip Foundation students towards establishing long-term, mutually rewarding business collaborations/partnerships with leading Universities and institutions in Belarus, specializing across faculties in Management, Engineering, Vocational, and Technical Education. Students asked their various queries regarding accommodation, visa process, and certification, duration of the training period, and cost of the summer internship at The Republic of Belarus.
