VISIT OF DELEGATES ABOUT HIGHER STUDIES AT ATHLONE INSTITUTE OF TECHNOLOGY, IRELAND

Date of Visit: 18/12/19

VENUE:-SANDIP FOUNDATION & SANDIP UNIVERSITY CAMPUS.

Dean of International Affairs Dr. Dipak Patil expressed pleasure to host the delegates from Ireland and held talks that were extremely fruitful and aimed at further deepening bilateral cooperation in a wide range of sectors.

Prof Dr. Morris Cyril discussed with the authorities the overall administration process of Athlone Institute of Technology, Ireland, and his objective behind visiting the campus of Sandip group of Institutions.

Dean International Affairs emphasized exploring the possibility of motivating our students to go to Athlone Institute of Technology to pursue their Master's degree and also the possibility of a Summer School fellowship program in the area of Civil Engg, AI (Artificial Intelligence), IOT (Internet of Things) & ML (Machine Learning). Delegates from Ireland also held bilateral meetings with Deans and heads of various schools and departments and insisted on research collaboration for exploring joint research and PhD programs and invited them to visit AIT.

Member present:

1. Prof. Dr. Morris Cyril (Professor, AIT Ireland & Midlands Innovation & Research Centre.)
2. Mr John Bunter (Representative from Pune)
3. Dr S. T. Gandhe (Principal, SITRC)
4. Dr Dipak Patil (Principal, SIEM- cum-Dean International Affairs, Sandip Foundation).
5. Dr Rakesh Patil (Head of Department, MBA SITRC).
