

SCHOOL OF PHARMACEUTICAL SCIENCES

Visit to Botanical Garden Visit Report (2025–26)

Department/School Name:

Department of Pharmacy / School of Pharmaceutical Sciences (SOPS)

Academic Year:

2025–2026

Report On:

Visit to Botanical Garden

Event Title:

Visit to Botanical Garden, Sandip Campus, Nashik

Event Date:

1st April 2026 (Wednesday)

Event Conduction Duration:

10:00 AM to 01:00 PM

Event Venue:

Botanical Garden, Sandip Campus, Nashik

Event Coordinators with Contact Details:

- Dr. Subodh Gangurde (Assistant Professor) – 9503689348
- Dr. Prashik Dudhe – 9730446797

Event Outline and Outcome

Outline of the Program:

The School of Pharmaceutical Sciences, Sandip University, Nashik, organized an educational visit to the Botanical Garden on 1st April 2026. The visit was conducted under the guidance of Dr. Subodh Gangurde and Dr. Prashik Dudhe, in alignment with the MSBTE curriculum requirements. The primary aim of the visit was to provide students with practical exposure to a wide variety of medicinal plants and enhance their experiential learning.

Objective of the Program:

The key objective of this visit was to familiarize students with different medicinal plants, their pharmacological significance, and their applications in both traditional and modern systems of medicine. The program also aimed to develop students' skills in plant identification, understanding morphological characteristics, and recognizing their therapeutic uses.

SCHOOL OF PHARMACEUTICAL SCIENCES

Outcome of the Program:

The visit was successfully conducted with enthusiastic participation from students. Feedback collected indicated that the activity was highly informative and engaging. It enabled students to connect theoretical knowledge from the Environmental Science curriculum with real-life applications. Students were able to identify several important medicinal plants and gained valuable insights into their morphology, medicinal properties, and benefits to human health.
