2. Brief Description of the Event

The School of Pharmaceutical Sciences, Sandip University, Nashik organized a **Parent-Teacher Online Meeting** on **07 October 2026 at 11:15 AM onwards** through the Zoom platform. The meeting was organized with the objective of establishing effective communication and collaboration between parents/guardians and faculty members regarding the **academic progress, attendance, training, placement and overall development of students** pursuing M.Pharm, B.Pharm and D.Pharm programmes.

The meeting provided an interactive platform for parents to communicate directly with faculty members and the academic leadership of the School of Pharmaceutical Sciences. The discussions focused on students' academic performance, attendance, discipline, participation in academic activities, training opportunities, career development and placement support.

The meeting was coordinated by Mrs. Darshana Shinde. The participation of parents made the interaction productive and meaningful.

The **Dean, School of Pharmaceutical Sciences, Dr. Abhijit Kulkarni**, interacted with the parents and personally addressed their queries and concerns regarding their wards. He provided appropriate guidance and assured parents of continued support from the institution for the academic and overall development of the students.

Dr.R. Dolas provided important information regarding the **Training and Placement activities of the college**. Parents were informed about the training opportunities, career guidance and placement support provided by the institution. Information regarding the college's **100% placement achievement** was also shared with the parents, which was appreciated by them and helped to increase their confidence regarding the career prospects of their wards.

3. Objective of the Event

The major objectives of the Parent-Teacher Online Meeting were:

1. To establish effective communication between **parents/guardians and teachers**.
2. To discuss the **academic performance and progress** of students.
3. To review students' **attendance and regularity** in academic activities.
4. To identify areas where students require **academic guidance and additional support**.
5. To discuss students' participation in **co-curricular, extracurricular and departmental activities**.
6. To understand and address the **concerns and suggestions of parents**.

7. To encourage parents to actively participate in their ward's academic development.
8. To strengthen cooperation between the **institution, faculty members, students and parents**.
9. To promote a supportive learning environment for the **overall development of students**.
10. To develop appropriate strategies for improving students' academic performance and professional development.

4. Programme Proceedings

The Parent–Teacher Online Meeting was conducted through the Zoom platform as per the scheduled programme.

Proceedings of the Meeting

1. Welcome and Introduction

The meeting commenced at **11:15 AM** with a warm welcome to all participating parents/guardians and faculty members. The coordinators welcomed the parents and briefly explained the purpose and importance of the Parent–Teacher Meeting.

2. Introduction to the Purpose of the Meeting

The coordinators explained that the meeting was organized to strengthen interaction between parents and faculty members and to facilitate regular communication regarding students' academic progress, attendance and overall development.

3. Discussion on Academic Performance

Faculty members discussed the academic performance of students with the respective parents. Areas such as classroom participation, academic achievements, learning difficulties, assignments, practical work and examination performance were discussed wherever required.

4. Discussion on Attendance and Regularity

Students' attendance and regularity in lectures, practical sessions and other academic activities were discussed. Parents were encouraged to ensure that their wards maintain regular attendance and actively participate in academic activities.

8. Sustainable Development Goals (SDG) Alignment

The Parent–Teacher Online Meeting organized by the **School of Pharmaceutical Sciences, Sandip University, Nashik**, contributes to the achievement of the following **United Nations Sustainable Development Goals (SDGs)**:

SDG	Goal	Contribution of the Event
SDG 4 – Quality Education	Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.	The meeting strengthened communication among parents, teachers and students regarding academic performance, attendance, learning difficulties and academic improvement. It promoted a supportive and student-centred learning environment.
SDG 3 – Good Health and Well-being	Ensure healthy lives and promote well-being for all at all ages.	As a pharmaceutical education institution, the meeting supported the overall well-being of students by encouraging regular communication, academic support, guidance and a positive educational environment.
SDG 8 – Decent Work and Economic Growth	Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all.	Information regarding training, career development and placement opportunities was shared with parents. The discussion regarding the institution's 100% placement achievement highlighted the efforts towards enhancing students' employability and professional development.
SDG 17 – Partnerships for the Goals	Strengthen the means of implementation and revitalize the global partnership for sustainable development.	The meeting strengthened collaboration and partnership among parents, students, faculty members, the Dean and the institution . Parents' feedback and their suggestion for conducting meetings quarterly demonstrated continued stakeholder engagement.

SDG 4 – Quality Education: Major Contribution

The event primarily supports **SDG 4** by promoting continuous monitoring and improvement of students' academic performance. Interaction between parents and faculty members helped identify academic concerns and develop appropriate support mechanisms for students.
