1. Event Information

Title of the Event	Abroad Opportunities after B.Pharm: Higher Education, Research & Career Pathways
Type of Event (Seminar/Workshop/GuestLecture/Visitetc.)	Guest Lecture
Organized By (Department/School)	SOPS
Date of the Event	12th April 2026
Time and Duration	9.00-10.00PM 1 hr
Venue	Online mode

2. Resource Person / Speaker Details (If Applicable)

Sr. No.	Name	Designation	Organization
1	Dr. Rahul Nahire	Ph.D, SC(ASCP),TC, (NRCC),CQA	Director CLIA lab USA

3. Number of Participants

Students	First TO Final year 39
Faculty	1
External Participants	0
Others	
Total	40

4. Objectives of the Event

- and Australia

- Guidance on selecting appropriate specializations after B.Pharm
- Discussion on research opportunities and career pathways abroad
- Explanation of eligibility criteria, admission procedures, and documentation
- Information on scholarships and funding opportunities

5. Brief Report of the Event (150–200 words)

Report on Session: Abroad Opportunities after B.Pharm

A session on “Abroad Opportunities after B.Pharm: Higher Education, Research & Career Pathways” was successfully conducted on 12th April 2026 in online mode (Google Meet).

The session was delivered by Dr. Rahul Nahire, who shared valuable insights on international education and career opportunities for pharmacy students.

The key highlights of the session included:

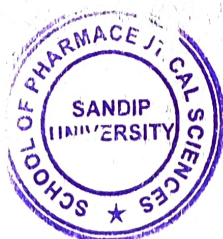

- Overview of higher education opportunities in countries like USA, UK, Canada, Germany, and Australia
- Guidance on selecting appropriate specializations after B.Pharm
- Discussion on research opportunities and career pathways abroad
- Explanation of eligibility criteria, admission procedures, and documentation
- Information on scholarships and funding opportunities

The session was informative and career-oriented. Students actively participated and showed keen interest in exploring global opportunities.

Questions Raised by Students

During the interactive Q&A session, students asked several important questions, including:

1. Which subject/specialization is best for pursuing a Master's after B.Pharm?
2. What are the eligibility criteria for countries like Australia and Germany?

3. Can you elaborate on career scope in Pharmacology and Toxicology fields?
4. When does the admission process usually begin for foreign universities?
5. Which entrance exams are required (IELTS, TOEFL, GRE, etc.)?

All queries were addressed clearly by the speaker, helping students understand the roadmap for studying abroad.

6. Outcomes of the Event

- Students gained a clear understanding of global education opportunities available after B.Pharm in countries like USA, UK, Canada, Germany, and Australia.
- Participants developed awareness about different specializations (Pharmacology, Toxicology, Regulatory Affairs, Pharmaceutical Analysis, etc.) and how to choose based on career goals.
- The session enhanced students' knowledge of admission processes, eligibility criteria, and required documentation for studying abroad.
- Students became familiar with various entrance examinations such as IELTS, TOEFL, and GRE, and their importance in international admissions.
- The lecture provided insights into career opportunities in research, academia, and pharmaceutical industries globally.
- Students gained clarity about scholarships, funding options, and financial planning for higher education abroad.
