**Event Report – Academic Year 2025–2026**

**Date:** 21st August 2025

**Venue:** Sandip University, Nashik

**Introduction:**

School of Pharmaceutical Sciences, Sandip University, celebrated **World's Entrepreneur Day** on 21st August 2025 with great enthusiasm. The event was organized to foster entrepreneurial spirit among students, encourage innovative thinking, and highlight the importance of start-ups and business leadership in today's competitive world. The program aligned with the university's vision of nurturing future leaders who can contribute to the nation's economic and social development through innovation and entrepreneurship.

**Objectives of the Event:**

- To create awareness about entrepreneurship and start-up opportunities among students.
- To encourage students to develop innovative ideas and business models.
- To provide a platform for interaction with successful entrepreneurs and industry experts.
- To highlight the role of entrepreneurship in economic growth and nation-building.

**Program Highlights:**

The event began with a formal inauguration ceremony, followed by welcome remarks from the faculty coordinator. Eminent speakers from the fields of business, innovation, and startups addressed the gathering. They shared their personal entrepreneurial journeys, challenges faced, and strategies for success.

Sessions focused on:

- The importance of innovation and risk-taking in entrepreneurship.
- Government initiatives and funding opportunities for start-ups in India.
- Case studies of successful entrepreneurs.
- The significance of building strong networks and leadership qualities.

Interactive sessions allowed students to present their ideas and receive feedback from experts. A panel discussion on "Entrepreneurship as a Career Path for the Next Generation" was one of the most engaging segments of the program.

#### **Student Participation:**

Students from various departments actively participated in the event. They presented innovative startup concepts and engaged in discussions with resource persons. The energy, curiosity, and enthusiasm displayed by students reflected the success of the program.

#### **Outcome of the Program:**

- Students gained valuable insights into entrepreneurship and start-up culture.
- The event motivated participants to think creatively and pursue entrepreneurial ventures.
- Awareness about funding agencies, incubation centres, and government policies was enhanced.
- A strong entrepreneurial mind set was fostered within the student community.

#### **Conclusion:**

The celebration of World's Entrepreneur Day at Sandip University was a grand success. It provided an inspiring platform for students to explore the vast potential of entrepreneurship and innovation. The event successfully achieved its objectives of motivating students, enhancing awareness, and fostering leadership qualities.
