NOTICE

Date 15/09/2026

PHARMACY WEEK & WORLD PHARMACIST DAY CELEBRATION 2026

This is to inform all the students of **D.Pharmacy, B.Pharmacy and M.Pharmacy** programmes of the **School of Pharmaceutical Sciences (SOPS), Sandip University, Nashik**, that **Pharmacy Week and World Pharmacist Day 2026** will be celebrated from **21 September 2026 to 24 September 2026**.

The celebration is organized under the theme **“Empowering Pharmacists for Healthier Futures”**, with a focus on **“Swastha Bharat: Combating Antimicrobial Resistance (AMR)”**. The programme aims to promote professional awareness, community health, responsible antibiotic use, creativity, teamwork and leadership among pharmacy students.

Activities Schedule

Day 1 – 21 September 2026

- Rally to Belgaon Dhaga
- Road Safety Awareness Campaign

Day 2 – 22 September 2026

- Blood Donation Camp
- Inter-College Poster Presentation
- Pharma Quiz
- Debate Competition

Day 3 – 23 September 2026

- Pharma Talent Show
- Pharma Treasure Hunt

Day 4 – 24 September 2026

- World Pharmacist Day Celebration and Expert Talk
- Grand Celebration / Valedictory Ceremony

All students are encouraged to participate enthusiastically in the scheduled activities and contribute towards creating **healthier communities, responsible antibiotic use and a stronger India**. Students are requested to maintain discipline and follow the instructions of the organizing committee throughout the celebration.

Venue: School of Pharmaceutical Sciences, Sandip University, Nashik

Expert Lecture of Dr. Amol B. Patil

Details of the Event:

Date of event: 24th September 2026

Name of Event: Expert Lecture on “A journey from Bodwad to Poland From Education to Computational Chemistry and AI-Driven Research “

Venue: SOPS Seminar Hall

Time: 10.30.00 to 1.00 pm

Details of Speaker/Designation/Photograph (if any):

Dr. Amol Patil Engineering–Technical Specialist, Nicolaus Copernicus University, Toruń, Poland.

Multidisciplinary researcher with a strong blend of chemistry, biology, and engineering. Prepared to leverage skills for breakthroughs in the chemical industry Expertise in Computational Chemistry, Machine Learning (Python, Scikit-learn), Materials Science, Ionic Liquids, Electrochemistry, Green Chemistry, and Pharmaceutical Sciences.

Name of Coordinator: Dr. Ramdas Dolas , Dr. Sumit Deore

Number of Participants: 215

Organizing Committee: B.Pharm and M.Pharm Students

Brief description of Event As a part of the Pharmacy Week and World Pharmacist Day Celebration 2026, a Expert Lecture of Dr. Amol B. Patil from Nicolaus Copernicus University, Toruń, Poland, was organized by the School of Pharmaceutical Sciences (SOPS), Sandip University, Nashik.

Objective of the Event:

To inspire students and faculty by showcasing a transformative journey from Bodwad to Poland, highlighting the role of education, computational chemistry, and Artificial Intelligence in modern research. The event aimed to encourage scientific curiosity, interdisciplinary learning, global exposure, and research-oriented career development.

Outcome of the Event:

The event motivated students to explore emerging fields such as computational chemistry, AI-driven research, and advanced drug discovery. Participants gained insights into international research opportunities, academic and professional growth, and the importance of continuous learning, innovation, and interdisciplinary approaches in building successful careers in pharmaceutical sciences.
