### Details of the Event

The School of Pharmaceutical Sciences (SOPS), Sandip University, Nashik, organized “Rx:ORIGIN – Freshers’ Party 2026” to formally welcome the newly admitted B. Pharm, M.Pharm and D.Pharm students of the Batch of 2026 into the SOPS academic community. The event was conceived as a vibrant platform for student interaction, confidence building, talent expression, peer bonding and recognition of academic achievement.

The programme combined entertainment and student engagement through a variety of activities, including singing, dancing, drama, ramp walk, poetry, IQ-based question and answer rounds and other interactive performances. A key attraction was the crowning of Mr. Fresher 2026 and Miss Fresher 2026. The programme also included felicitation of Academic Rankers with medals and certificates in recognition of their academic excellence.

### Brief Description of Event

The programme commenced as a welcoming celebration for the Batch of 2026 and provided an informal yet purposeful environment for students to interact with peers and faculty members. Students were encouraged to showcase individual talents and communication skills through cultural performances and stage-based activities such as singing, dancing, drama, poetry and ramp walk. The IQ-based question and answer rounds added an element of confidence, spontaneity and intellectual engagement to the programme. The Mr. Fresher 2026 and Miss Fresher 2026 segment provided students an opportunity to demonstrate confidence, personality, communication and stage presence. Academic Rankers were felicitated with medals and certificates, reinforcing the value placed by the School on academic performance alongside co-curricular participation. The event concluded as a celebration of new people, new bonds and new beginnings, strengthening the sense of belonging among the newly admitted students.

## Objectives of the Event

- To formally welcome the Batch of 2026 to the School of Pharmaceutical Sciences and Sandip University community.
- To facilitate interaction and healthy bonding among newly admitted students, senior students and faculty members.
- To provide students with a platform to demonstrate creativity, communication skills, confidence and individual talents.
- To encourage participation in co-curricular activities as a complement to academic learning and professional development.
- To recognize and motivate academic excellence through felicitation of Academic Rankers.
- To promote an inclusive, positive and supportive student environment that encourages a sense of belonging.

## Outcome of the Event

- The newly admitted students were welcomed into the SOPS family through a structured and celebratory induction-oriented activity.
- Students received opportunities to interact, develop peer connections and build a sense of belonging

within the School.

- Participation in cultural and stage activities supported confidence, communication, creativity and presentation skills.
- The talent segments and interactive rounds provided a positive platform for student expression beyond the classroom.
- The crowning of Mr. Fresher 2026 and Miss Fresher 2026 created a memorable student-engagement experience.
- Felicitation of Academic Rankers reinforced the culture of academic excellence and student motivation.
- The event contributed to a positive, inclusive and collaborative campus environment at the beginning of the students' university journey.

### SDG Mapping

The event contributes to the following United Nations Sustainable Development Goals (SDGs), primarily through student development, inclusion, well-being and recognition of achievement:

| SDG    | Goal                       | Event-level Contribution                                                                                                                                                                |
|--------|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| SDG 4  | Quality Education          | Supports holistic student development by combining academic recognition with co-curricular, communication, creativity, confidence-building and peer-learning opportunities.             |
| SDG 3  | Good Health and Well-being | Promotes positive social interaction, belonging, recreation and a supportive student environment, contributing to social and emotional well-being.                                      |
| SDG 5  | Gender Equality            | Provides inclusive participation and recognition opportunities for students, including the Mr. Fresher and Miss Fresher segments, while encouraging equal visibility and participation. |
| SDG 10 | Reduced Inequalities       | Encourages participation of students with varied talents and backgrounds in a common institutional platform, supporting inclusion and a sense of belonging.                             |
