Event Report

Event Name: World Pharmacist Day 2025

School/Department Name: NSS Unit, SUN and School of Pharmaceutical Sciences (SOPS)

Date of the Event: 25th September 2025

Duration of the Event: 10:00 AM to 2:00 PM

Venue: S1 Building, Sandip University Campus, Nashik

Name of the Event Coordinator: Dr. Sumit Deore (Asso. Prof., SOPS), NSS Program Officer

Objective of the Program:

- Celebrate the Role of Pharmacists: Recognize the vital contributions of pharmacists in healthcare, community health promotion, and patient well-being.
- Health Awareness & Community Service: Provide free health services to the community through a blood donation drive and free eye check-up camp.
- Student Sensitization: Encourage students to actively participate in healthcare outreach activities, enhancing their sense of social responsibility and professional commitment.

Outline of the Program:

To commemorate World Pharmacist Day, a Blood Donation Camp and a Free Eye Check-up Camp were organized at Sandip University campus. The event aimed to spread awareness about the importance of pharmacists in healthcare while simultaneously serving the local community.

The event commenced at 10:00 AM with the inauguration by Hon. Vice Chancellor Dr. Rajendra Sinha, Registrar Prof. Pravin Bharti, and Dean Dr. Makrand S. Gambhire. The Blood Donation Camp was organized in collaboration with Navjeevan Blood Bank, where a large number of students, faculty members, and staff voluntarily donated blood, contributing in saving lives.

Simultaneously, a Free Eye Check-up Camp was conducted by a team of ophthalmologists and optometrists, offering free eye screening and guidance for corrective measures to villagers and university staff. NSS volunteers and pharmacy students actively assisted in the management of the camps, gaining practical exposure to patient interaction and community service.

Outcomes of the Program:

- **Community Benefit:** More than 100 units of blood were collected and provided to Navjeevan Blood Bank. Around 150 individuals benefited from the free eye check-up camp.
- **Student Development:** Students gained valuable experience in organizing healthcare events, understanding patient needs, and the importance of preventive health measures.
- **Public Awareness:** The initiative strengthened community trust in pharmacists and reinforced their role as healthcare providers beyond medication dispensing.

Place: Nashik

Date: 25/09/2025
