- **Event Outline & Outcome of the Event:**

Outline of Program:

- Sandip School of Pharmaceutical Sciences (SUN) organized Industrial visit in Sinnar Nashik for all First and Second year D. Pharmacy students dated on 8th March 2025 at 10:00 AM To 5:00 PM at Advanced enzymes technology Ltd, Sinnar, Nashik.

Objective of Program:

The SOPS organizes industrial visits for First year D. Pharmacy and Second year D. Pharmacy students to update with latest updates on the industrial profession and to provide knowledge of new modern techniques used in the Pharmaceutical Industry. Main aim of industrial visit is to provide an exposure to students about practical working environment. Also to provide students a good opportunity to gain full awareness about industrial practices.

Output of Program:

In the morning at 10:00 am we visited **advanced enzymes technology Ltd.** When we reached the industry, HR person Mr. Arvind Arote & Dr. Gayatri Antre madam of the industry welcome us and drive us to the meeting room where we introduce our students to HR personal. After that, they provide us with water, and then he introduced students to the various department of the company via PPT. After that, we divided our students into a batch of 20 students per batch for the visit and interaction with the industrial person. The HR personnel and HODs of different departments drove us to visit different departments like the warehouse, production (Manufacturing) department, Quality control department, Quality assurance department, Primary and secondary packaging department, etc. In all departments, departmental HODs have given us information regarding their respective department.
