Event Report

Event Name: National Science Day

School/Department Name: School of Pharmaceutical Sciences (SOPS) Sandip University

Date of the Event: 28th Feb 2025

Duration of the Event: 11:30 AM to 1:30 P.M.

Venue: Classroom no. 6 Pharmacognosy lab no.2

Name of the Event Coordinator: Dr. Subodh Gangurde (Asst Prof, SOPS) Sandip University, Nashik.

Objective of the Program:

1. **Promote Scientific Awareness:** To encourage people to engage with science and its applications in daily life.
2. **Inspire Young Minds:** To foster interest in science and technology among students and inspire the next generation of scientists and innovators.
3. **Encourage Scientific Communication:** To improve public understanding of science, making it more accessible and relatable to the general population.
4. Events such as science exhibitions, debates, and lectures are held across schools, colleges, and institutions to celebrate the day and promote science.
5. **Recognize Scientific Achievements:** To honor the contributions of Indian scientists, especially C.V. Raman, and highlight their impact on global scientific development.

Outline of the Program:

1. Scientific Talks & Presentations

- Talk on C.V. Raman and the Raman Effect
- Panel Discussion: "The Role of Science in Sustainable Development"
- Presentation of Recent Scientific Innovations

2. Science Exhibition & Demonstrations

- Student Project Displays
- Live Science Experiments
- Innovations from Research Institutions
