Event Outline & Outcome of the event:

Outline of Program: SOPS Sandip University celebrated an international women's day dated 08th march 2025. Dr. Gayatri Prakash Antre Sr. Executive, Regulatory Affairs at Advance Enzyme Technologies limited, Sinnar Nashik were chief guest for this program.

Objective of Program: The event commenced with a warm welcome to the esteemed resource person, Dr. Gayatri Prakash Antre, who holds a senior position in Regulatory Affairs at Advance Enzyme Technologies Limited. The gathering included professionals, academicians, students, and local community members, all united in celebrating the essence of womanhood.

Dr. Antre addressed the audience, emphasizing the importance of women's empowerment, their contributions to society, and the challenges they continue to face. She highlighted the role of women in science and technology, inspiring young girls to pursue their dreams without hesitation. Her insightful speech resonated with the audience and encouraged discussions on gender equality and professional growth.

Output of Program: The celebration of International Women's Day at Gondeshwar Temple was a memorable and inspiring event. It successfully reinforced the message of equality, strength, and resilience among women. The contributions of Dr. Gayatri Prakash Antre and the participation of the attendees made the event a grand success. The occasion served as a reminder of the collective effort needed to empower women and build a more inclusive society.
