16.1.2026

Report on Four Day Induction Programme AY 2025 26 for B. Pharm First Year Students

1. Introduction

A Four-Day Induction Programme for B. Pharm First Year students was successfully conducted from 11 August 2025 to 14 August 2025 at the School of Pharmaceutical Sciences. The programme was designed in accordance with academic guidelines to facilitate a smooth transition of newly admitted students into the professional pharmacy curriculum.

The induction programme aimed to familiarize students with the academic structure, institutional policies, faculty members, infrastructure, and support systems, while also addressing personal development, discipline, and career orientation.

2. Objectives of the Induction Programme

The key objectives of the programme were:

- To orient students with the B. Pharm curriculum and evaluation system
- To introduce institutional governance, academic leadership, and faculty
- To provide awareness of student support services and welfare initiatives
- To develop soft skills, discipline, and professional ethics
- To familiarize students with campus facilities and administrative sections
- To encourage holistic development through co-curricular and extracurricular activities

3. Day-wise Programme Summary

Day 1 – 11 August 2025

The programme commenced with student registration, managed efficiently by the assigned faculty and student volunteers. Audio-visual and photography arrangements ensured systematic documentation of the event.

The Inaugural Session included:

- Formal welcome and introduction of the programme
- Saraswati Puja
- Introduction and felicitation of dignitaries
- Guest Felicitations
- Vote of thanks
- The **Welcome Speech** for the Induction Programme was delivered by **Dean, Dr. Makarand S. Gambhire**, who emphasized the significance of the programme in facilitating a smooth transition for newly admitted B. Pharm students into the academic and professional environment. In his address, Dr. Gambhire highlighted the **objectives of the induction programme**, including familiarization with the curriculum, institutional policies, faculty members, campus facilities, and support systems.
- The Chief Guest, **Mr. Shripad B. Bhalerao, Deputy General Manager, Glenmark Pharmaceuticals Limited, Nashik**, was formally felicitated by the **Dean, Dr. Makarand S. Gambhire**, as a mark of respect and appreciation for his distinguished professional contributions to the pharmaceutical industry
- The **Presidential Address** of the Induction Programme for B. Pharm students was officially delivered by the **Honourable Vice Chancellor, Professor Dr. Rajendra Sinha**, and the **Registrar, Dr. Pravin Bharati**. Their speeches were highly insightful and motivational, providing guidance on academic excellence, professional conduct, and the opportunities available in the pharmaceutical field. The addresses inspired the students, fostering enthusiasm for their academic journey and emphasizing the importance of discipline, ethics, and holistic development in higher education.
- The **Vote of Thanks** for the Induction Programme was delivered by **Professor Dr. Rahul Hajare**, the programme coordinator. In his address, he expressed sincere gratitude to the **Honourable Vice Chancellor, Registrar, Dean, Chief Guest, guest speakers, faculty members, and all dignitaries** for their valuable

presence and insightful contributions. He acknowledged the support and cooperation of all participants, emphasizing that their guidance and encouragement greatly enriched the programme and inspired the newly admitted B. Pharm students.

- The inaugural session emphasized academic excellence, institutional values, and student responsibility. Post-lunch sessions included:
- **Presentation on Standard Operating Procedures (SOPs)** was delivered by **Dr. R.T. Dolas**. The session provided a comprehensive overview of the institutional and academic protocols, highlighting the importance of adherence to SOPs for maintaining consistency, efficiency, and quality in academic and laboratory practices. Students were oriented on the procedural framework to ensure smooth functioning and compliance within the School of Pharmaceutical Sciences.
- The **Library and School Visit** was organized and conducted by **Dr. S.A. Gangurde**. During the session, students were familiarized with the **library resources, research facilities, and Standard Operating Procedures (SOPs)** of the School of Pharmaceutical Sciences. The visit provided practical exposure to academic infrastructure, promoted awareness of information retrieval systems, and enhanced understanding of institutional protocols and operational procedures.

Day 2 – 12 August 2025

Day 2 focused on skill development and academic structure.

- Sessions included: The **Soft Skills Presentation** was delivered by **Dr. Mohini Gurav**, with organization and coordination of the session managed by **Dr. Sunil Patnaik**. The lecture focused on enhancing students' **communication, interpersonal, and professional skills**, emphasizing their significance for academic success and future career development in the pharmaceutical industry. The session included practical examples and interactive discussion, fostering active student engagement and awareness of the soft skills required for effective teamwork, leadership, and professional conduct.
- The **Course Structure Presentation** was delivered by **Dr. Mohan Gandhi** to provide a detailed overview of the **B. Pharm curriculum**. The session explained the sequential organization of subjects, credit distribution, and the integration of theoretical and practical components throughout the programme. Emphasis was placed on the relevance of individual courses to professional competencies, research skills, and career development in the pharmaceutical sciences, thereby enabling students to gain a clear understanding of their academic trajectory.

Ph: (02594) 222 541/42 Fax: (02594) 222 555

- The **Examination Presentation** was delivered by **Mrs. A.A. Jagtap**, providing a detailed overview of the **B. Pharm evaluation system**, including **Continuous Internal Assessment (CIA) and End-Semester Examination (ESE)**. The session explained the assessment structure, marking scheme, and evaluation criteria, emphasizing transparency, fairness, and the role of assessments in monitoring academic progress. Students were oriented on procedural requirements and the importance of consistent performance in both theoretical and practical components of the programme.
- In the afternoon:
- A Guest Lecture on Student Welfare Initiatives, introducing platforms such as Sun Club, Sapano Ki Udan, Dare to Dream
- The **Guest Lecture** was delivered by **Dr. Neetu Sharma**, with the arrangement and coordination managed by **Dr. K.K. Parli**. The lecture provided an introduction to **Student Welfare initiatives**, including **Sun Club, Sapano Ki Udan, and Dare to Dream**, highlighting the opportunities available for personal and professional development. The session was highly motivational and inspiring, encouraging students to actively participate in co-curricular programs, develop leadership skills, and pursue a proactive approach toward their academic and career aspirations in the pharmaceutical field.
- Visit to Medicinal Plant Garden and Playground, highlighting experiential learning and recreational facilities

The **Medicinal Plant Garden and Playground Visit** was organized and conducted by **Dr. S.B. Gagurde** and **Mr. Rohan Godse**. During the session, students were introduced to the **medicinal plant collection**, their therapeutic applications, and cultivation techniques, providing practical exposure to pharmacognostic and botanical knowledge. The visit also familiarized students with the campus **recreational facilities**, emphasizing the importance of physical activity and holistic development alongside academic learning. The session facilitated experiential learning and encouraged engagement with both academic and wellness resources available on campus.

Day 3 – 13 August 2025

Day 3 was dedicated to departmental orientation and academic specialization.

Departmental Interactions:

- **Pharmaceutics (Dr. R.T. Dolas):** Students attended a presentation emphasizing key subjects and curriculum focus areas.
- **Pharmaceutical Chemistry (Dr. S.P. Narkhede):** Presentation highlighting important subjects and practical aspects of the department.
- **FAS System (Dr. V.V. Byahatti):** Demonstration and explanation of the Faculty Administration System (FAS) for managing academic and administrative tasks.
- **Pharmacology (Dr. B. Nagaraju):** Presentation on core subjects, learning outcomes, and departmental priorities.
- **Pharmacognosy (Dr. V.V. Byahatti):** Focused presentation on key curriculum areas and research emphasis.
- **O-Building Visit:**
- **Coordinators:** Dr. S.L. Borse, Ms. S.V. Deore, Mr. Yogesh Koli
- **Activity:** Students interacted with the Student Section, Admission, and Examination Section to understand administrative processes and institutional workflow.

Day 4 – 14 August 2025

The final day focused on career planning, discipline, and student engagement.

International Affairs Cell Presentation

- **Presenter:** Dr. S.L. Borse
- **Focus:** Detailed overview of the International Affairs Cell (IAC), its functions, and opportunities for students in international collaborations and programs.
- **GPAT Examination Guidance**
- **Presenter:** Mr. Mahvir Narwade

School of Pharmaceutical Sciences

Website: <http://www.sandipuniversity.edu.in> Email : info@sandipuniversity.edu.in
Ph: (02594) 222 541/42 Fax: (02594) 222 555

- **Focus:** Presentation on the Graduate Pharmacy Aptitude Test (GPAT), including exam structure, preparation strategies, and discussion on relevant topics.
- **Research and Career Opportunities in Pharmacy**
- **Presenter:** Dr. A.D. Kulkarni
- **Focus:**

The presentation provided detailed guidance on research pathways and career prospects within the pharmaceutical field. Emphasis was placed on strategies for academic and professional advancement, including effective preparation for research opportunities. The importance of securing research grants and funding was highlighted as a key component in supporting innovative projects and career growth. Enhanced understanding of career trajectories in pharmaceutical research. Awareness of preparation strategies for academic and professional success.
- Recognition of the critical role of grants in advancing research initiatives and professional development. The session equipped students with actionable insights into pursuing research careers in pharmacy, emphasizing strategic planning and grant utilization as essential elements for success.
- **Lunch Break**
- **Time:** 01:00 PM – 02:00 PM
- **Discipline Presentation**
- **Presenter:** Dr. Vivek Byhatti
- **Focus:** Presentation and discussion emphasizing discipline-specific knowledge and academic growth.
- **Co-curricular and Extracurricular Activities**
- **Presenter:** Dr. P.B. Dudhe
- **Focus:** Importance of co-curricular and extracurricular engagement for holistic development of students.
- **Training and Placement Guidance**
- **Presenter:** Dr. Ashok Thulluru
- **Focus:** Overview of training programs, placement procedures, and preparation strategies to enhance employability.

- **Interaction with Student Council**
- **Presenter:** Dr. Shrikant Nillewar with Council Members
- **Focus:** Discussion with the Student Council to understand student initiatives, leadership opportunities, and campus activities.
- The Four-Day Induction Programme for B. Pharm First Year students was systematically planned and effectively executed. The diverse academic, administrative, and developmental sessions ensured comprehensive student orientation. The programme played a crucial role in laying a strong foundation for academic success, professional growth, and holistic development, thereby aligning students with the vision and mission of the School of Pharmaceutical Sciences.
