7. **About the programme:** The induction programme for the fresh batch of students joining the Bachelor of Pharmacy and Diploma in Pharmacy was organised in the month of October 2022 by School of Pharmaceutical Sciences, Sandip University with a packed 7 days long schedule.
8. **Objective of Programme:** The objective of induction programme is to help the students who come from diverse backgrounds to adjust to the new environment and inculcate in them the ethos of the institution.
9. **Outcome of Programme:** The programme was designed to take through the fresh students over a typical life at the school, various student activities both academic as well as extra- curricular and how the students are groomed over the next 2- 4 years into a complete holistic professional.

Day 1: An inauguration of the Induction Programme was held at the School of Pharmaceutical Sciences, Sandip University, Nashik on 6th October, 2022. Dr. Anil Maheshwari (Registrar, SUN), Dr. Parimala Mani (COE, Sandip SUN) and Dr. Vishal Gulecha (Professor & Dean, SOPS) presided over the inauguration function. Saraswati Pujan and lamp enlightenment were

Day 3: A general explanation of the hiring procedure was provided by Mr. Lalit Patil, a member of Sandip University's Training and Placement cell. He also provided advice on how to approach interviews with confidence. Then, in accordance with the MoU between Infosys and Sandip University, he gave students an overview of the Infosys Springboard platform. Students can sign up for and finish courses they are interested in on the Infosys Springboard platform at their own leisure. Dr. Arun Kumar Dwivedi, the IQAC Director at Sandip University, spoke on the topic of the outcome-based education system in the afternoon session. The facilitator function of the teacher, the overall course output, and the perspective of the student on their learning are the session's standout themes.
