**EVENT REPORT**

<b>Academic Year</b>	<b>: 2024-25</b>
<b>School/Department Name</b>	<b>: Department of Biological Sciences</b>
<b>Event Title</b>	<b>: Alumni Talk by Ms. Riya Nandi</b>
<b>Event Date</b>	<b>: 19<sup>Th</sup> April 2025</b>
<b>Time</b>	<b>: 11: 00 AM to 01:00 PM</b>
<b>Duration in Days</b>	<b>: One Day</b>
<b>Mode of Conduction</b>	<b>: Offline</b>
<b>Level of Program</b>	<b>: School Level</b>
<b>Event Coordinator</b>	<b>: Dr. Sandip Wagh</b>
	<b>Head</b> <b>Department of Biological Sciences</b>
<b>Participants</b>	<b>: Under Graduate and Post Graduate Students from</b> <b>Department of Biological Sciences</b>

The Department of Biological Sciences organized an insightful Alumni Talk featuring **Ms. Riya Nandi**, a distinguished alumna of the **M.Sc. Life Science program, Batch of 2021**. Currently serving as a **Scientific Officer at Bhabha Atomic Research Centre (BARC)**, State University, Mumbai, Ms. Nandi returned to her alma mater to share her academic journey and professional experiences.

The event was attended by enthusiastic **B.Sc. Microbiology and M.Sc. Microbiology and Life Science students**, who were eager to gain insights into career paths in scientific research and government organizations. Ms. Nandi began her session by reflecting on her academic years at the department, emphasizing the foundational knowledge and research skills she acquired during her time as a student.

She elaborated on her current role at BARC, giving the students a glimpse into the world of atomic research, life science applications in nuclear facilities, and the interdisciplinary nature of her work. Her talk provided valuable guidance on competitive exams, research fellowships, and the importance of internships and projects in building a strong scientific profile.

The session was interactive and inspiring, with students engaging in a Q&A segment where Ms. Nandi addressed queries related to higher studies, skill development, and navigating the transition from academia to the professional realm.

The department expressed its gratitude to **Ms. Riya Nandi** for her time and efforts in motivating the next generation of scientists. The event concluded with a vote of thanks and a token of appreciation presented to the speaker
