**Report:**

The Department of Forensic Science, SOS organised a one-day Industrial visit of M.Sc I, M.Sc.II, and B.Sc. III (Forensic Science) students to **Shanti-Krishna Museum of Money and History**, Maharashtra on 7/10/2024.

Shanti Krishna Museum, part of the Indian National Heritage and Research Centre (INHRC) in Nashik, is dedicated to showcasing the rich cultural and historical heritage of India. The museum features various exhibits that highlight art, archaeology, and traditional crafts, the museum is dedicated to the history of currency and numismatics in India. It features a vast collection of coins from various dynasties and periods, showcasing the evolution of currency in the region.

In museum students observed, **Diverse Coin Collection**, from ancient times to the modern era, including, Maurya Gupta, and Mughal empires. Each coin is accompanied by detailed descriptions. Informative panels explain the significance of different currencies and their impact on trade and economy throughout Indian history. The museum includes thematic exhibits, such as the evolution of coinage materials and designs, providing a comprehensive understanding of numismatics.

The museum actively conducts workshops and educational programs for students and researchers, promoting awareness of Indian heritage, Currency. Suggestions for future programs could include hands-on workshops and collaborative events with local schools, Colleges.
