

EVENT REPORT
DEPARTMENT OF MATHEMATICS

Details of the Event: “Data Science & Machine Learning”

Date of event: 31-Aug-2026

Name of Event: Expert Lecture on “Data Science & Machine Learning”

Venue: School of Science

Time: 10.00 AM to 12.00 PM

Details of Guest Speaker

Mr. Prathamesh Soni is an MCA graduate and Software Development professional with strong expertise in Backend Engineering and Application Development. He has hands-on experience with SQL, MySQL, MongoDB, REST APIs, JavaScript, React, and the MERN stack.

Name of Coordinator: Miss Neha Nisal, Mr.Prathmesh Suryawanshi.

Number of Participants: 80

Target Participants: FY, SY & TY – Computational Mathematics and Data Science

Organizing Committee:

Department of Mathematics, School of Science

Brief Description of Event:

The Department of Mathematics organized an **Expert Lecture on “Data Science & Machine Learning”** for FY, SY and TY students of Computational Mathematics and Data Science. The session focused on the fundamentals, practical applications, current trends, and career opportunities in Data Science and Machine Learning. Students actively participated in the session and gained valuable insights from the expert.

Objective of the Event:

- To introduce students to the fundamentals of Data Science and Machine Learning.
- To provide awareness about practical applications and current industry trends.

SANDIP
UNIVERSITY
— UGC Recognised —
Under Section 2(f) & 12(B) of UGC

NAAC
GRADE **A**

- To develop students' understanding of machine learning techniques and data-driven approaches.
- To create awareness about career opportunities in Data Science and Machine Learning.

Outcome of the Event:

Students gained a better understanding of **Data Science and Machine Learning**, their real-world applications, and current industry trends. The lecture enhanced students' awareness of career opportunities and encouraged them to explore further learning and practical applications in these emerging fields.

EXPERT TALK

Data Science & Machine Learning
Exploring the power of data and intelligent systems to build a smarter tomorrow

Session Highlights:

- ✓ Introduction to Data Science & Machine Learning
- ✓ Real-world Industry Applications
- ✓ Career Opportunities in AI & Data Science

Mr. Prathamesh Soni
AI & Data Science Expert

Venue: Seminar Hall, School of Science

Date: 31st August 2026 (Monday)

Time: 10:00 AM – 12:00 PM
